Solo Instrument Book OCP: Frequently Asked Questions

What is a Solo Instrument Book OCP?

A Solo Instrument Book OCP (Other Covered Property) is an insurance policy that provides coverage for a specific musical instrument, known as a "scheduled instrument." This type of policy is designed to protect valuable and unique instruments that may not be adequately covered under a standard homeowner's or renter's insurance policy.

What types of instruments are typically covered?

OCP policies cover a wide range of solo instruments, including violins, guitars, clarinets, saxophones, and pianos. They can also cover accessories such as bows, cases, and mouthpieces. The specific instruments and coverage limits vary depending on the policy.

What does an OCP policy typically cover?

OCP policies generally provide coverage for the following perils:

- Accidental damage (e.g., falling, breaking)
- Theft or burglary
- Fire or smoke damage

- Water damage
- Earthquake or other natural disasters

How much does an OCP policy cost?

The cost of an OCP policy depends on several factors, including the value of the instrument, the coverage limits, and the deductible. Typically, the higher the coverage amount, the higher the premium.

How do I file a claim under an OCP policy?

In the event of a loss, you should contact your insurance company immediately to report the claim. You will need to provide documentation of the damage or loss, such as photographs or receipts. Your insurance company will investigate the claim and determine the amount of reimbursement you are entitled to.
