### **The Expositor's Bible Commentary with the New International Version of the Holy Bible: Volume 10 (Romans-Galatians)**

The Expositor's Bible Commentary with the New International Version of the Holy Bible is a comprehensive and scholarly commentary on the entire Bible. Volume 10 covers the books of Romans and Galatians, providing in-depth exegesis, historical context, and practical application.

#### **1. What is the main theme of Romans?**

Romans expounds on the glorious gospel of God's grace that brings salvation through faith in Jesus Christ. Paul argues that all people are guilty of sin and cannot earn righteousness before God. Only through faith in Christ's substitutionary death and resurrection can we receive forgiveness and reconciliation with God.

#### **2. What are the key doctrines developed in Galatians?**

Galatians underscores the truth that salvation is by grace alone, apart from works of the Law. Paul vehemently confronts false teachers who insisted on circumcision and other Old Testament practices as necessary for salvation. He emphasizes that the Law serves as a tutor to lead us to Christ, but it cannot save us.

#### **3. How does Paul's argument in Romans support his position in Galatians?**

In Romans, Paul argues that all people are under the law and none can fulfill its demands. Therefore, we cannot earn salvation by our own efforts. This same principle is applied to Galatians, where Paul shows that the Law cannot justify or

make us righteous before God. Only through faith in Christ can we receive salvation and the indwelling of the Holy Spirit.

#### **4. What practical applications can we draw from Romans and Galatians?**

The doctrines presented in Romans and Galatians have profound implications for our daily living. We must be humbled by our sinfulness and trust completely in Christ's grace for salvation. We are called to live in freedom from guilt and condemnation, empowered by the Holy Spirit to overcome sin and walk in newness of life.

#### **5. How can this commentary benefit me in my Bible study?**
