

# CHAPTER 3 THE SCOUT GROUP STAGING

## [Download Complete File](#)

**How are Scouts grouped?** Groups aim to have at least one Joey Scout Mob, Cub Scout Pack, Scout Troop, Venturer Unit, and an associated Rover Crew, although there are no limits to the number of each a single group may run, providing they have youth members and Leaders to populate it.

**How is a scout troop organized?** Troops are made of Patrols, which are tight-knit team of five to eight members. The uniformed adult leader of a Scouts BSA Troop is called a Scoutmaster. Patrols are led by Scouts who are elected by the members of the Patrol. Venturing units are called Crews and are not subdivided into smaller parts.

**Are Boy Scouts still around?** ® The Scouting organization is composed of more than 1 million youth members between the ages of 5 and 21 and more than 628,000 volunteers in local councils throughout the United States and its territories.

**What does a Cub Scout den leader do?** An adult, usually a parent, serves as a Den Leader. They carry out the activities related to adventures as they are presented in the Cub Scout's handbook and the Den Leader Guide. The pack is made up of several dens. The make up and size of the pack varies based on local interest and resources.

**What are the stages of Scouting?** Many young people are introduced to Scouting by joining Squirrels - our youngest age group - and progress through Beavers, Cubs, Scouts, and Explorers. At 18 young adults can choose to continue the Scouting adventure by joining the Scout Network or stay on as an adult volunteer.

**What are the groups within Scouts?** The basic unit of organisation is the Scout Group. This is based in a local community and usually consists of Squirrel Scouts, Beaver Scouts, Cub Scouts and Scouts. Some Groups are larger or smaller depending on where they are located.

**What are Scout sections?** The core five sections (Squirrels to Explorers) are each led by a section leader and aided by assistant leaders, sectional assistants, parent helpers and young leaders, who are Explorer Scouts trained in leadership techniques.

**How are Scouts divided?** Scouts are organized into troops averaging 20–30 Scouts under the guidance of one or more Scout Leaders or Scoutmasters. Troops subdivide into patrols of about 6–8 Scouts and engage in outdoor and special interest activities. Troops may affiliate with local, national, and international organizations.

**What is the chain of command for Scouts?** In a Scout troop, youth leaders include: Senior Patrol Leader, Assistant Senior Patrol Leader, Patrol Leaders, Assistant Patrol Leaders, scribe, quartermaster, Outdoor Ethics Guide, librarian, chaplain aide, bugler, historian, den chief, Troop Guide, Order of the Arrow representative, Junior Assistant Scoutmaster, and ...

**Was Joe Biden ever a Boy Scout?** Donald Trump was not involved with Scouting as a youth. He spoke at the 2017 National Scout Jamboree. Joe Biden was a member of the Explorers program.

**What is a female Boy Scout called?** Both boys and girls in Scouts BSA are referred to simply as 'Scouts'. Female Venturers and Sea Scouts can now also earn the Eagle Scout award, if they have earned the ranks through First Class in a Scout troop (same requirement as for male Venturers and Sea Scouts); and the Order of the Arrow honor society, formerly ...

**Why can't boys join Girl Scouts?** Myth: Girl Scouts will be letting boys join soon. Fact: No, Girl Scouts has no plans to admit boys into the organization. Research shows that a girl learns best in an all-girl, girl-led, and girl-friendly environment. Our programs are designed specifically for girls at their various developmental stages

through youth.

**Do scout leaders make money?** Leaders of troops are volunteers and do not get paid. There are a very few professionals that work in district offices that get a salary.

**What is a wolf Cub Scout?** Wolf Cubs, usually referred to as Cubs, is the 3rd youngest section of Scouting operated by the Baden-Powell Scouts' Association, following on from the Beaver Scouts section. The core age range for Wolf Cubs is eight to eleven, though exceptions can be granted.

**Can a cubmaster also be a den leader?** Either of these individuals may register in one other position within the unit. This means that an assistant Scoutmaster cannot also serve as a member of the committee. A den leader may not simultaneously serve as the Cubmaster.

**What age is too late to join Boy Scouts?** Youth can join Scouts BSA if they are at least 10 years old, currently in the fifth grade and register on or after March 1st; OR have earned the Arrow of Light Award and are at least 10 years old, OR are age 11 but have not reached age 18.

**What are the three C's of Scouting?** Girls lead with courage, confidence, and character to make the world a better place.

**What is the oldest age to be a Scout?** The only exceptions for those older than age 18 are related to Scouts registered beyond the age of eligibility and those who have been granted time extensions to complete the Eagle Scout rank. An Eagle Scout board of review may occur, without special approval, up to twenty four months after a Scout's 18th birthday.

**What is a Cub Scout group called?** Children are organized into specific groups called dens and meet 2-3 times per month to do Cub Scouts' age-appropriate adventure activities with others in their den. Dens are organized by grade level and gender. All of the dens (K-5th grade) make up the larger Pack.

**What is the smallest Scout Group?** Cub Scouts are young people aged between 8 and 10 ½. A Cub Pack is usually organised into small groups called Sixes, each headed up by an older Cub called a Sixer, and often with a Secondar as well.

**How many people are in a Scout Group?** 4.3. 2.1 The recommended maximum section sizes are: Squirrel Dreys, Beaver Colonies: 24 young people. Cub Packs: 36 young people. Scout Troops, Explorer Units, Scout Network: no recommended maximum size.

**How are Scouts divided?** Scouts are organized into troops averaging 20–30 Scouts under the guidance of one or more Scout Leaders or Scoutmasters. Troops subdivide into patrols of about 6–8 Scouts and engage in outdoor and special interest activities. Troops may affiliate with local, national, and international organizations.

**What are the categories of Scouts?** In each category, a provision has been made for members to grow in a seven-stage system starting from Copper to Bronze, Silver, Gold, Platinum, Emerald and Diamond. Although Copper is the starting point for each of the categories, it does not mean that a member must start from Copper.

**What is the chain of command for Scouts?** In a Scout troop, youth leaders include: Senior Patrol Leader, Assistant Senior Patrol Leader, Patrol Leaders, Assistant Patrol Leaders, scribe, quartermaster, Outdoor Ethics Guide, librarian, chaplain aide, bugler, historian, den chief, Troop Guide, Order of the Arrow representative, Junior Assistant Scoutmaster, and ...

**Are Scouts arranged in different age groups?** Scouting was originally developed for adolescents—youths between the ages of 11 and 17. In most member organizations, this age group composes the Scout or Guide section. Programs were developed to meet the needs of young children (generally ages 6 to 10) and young adults (originally 18 and older, and later up to 25).

**What is the hardest PE exam to pass?** According to NCEES® stats, the structural depth and geotechnical exams are the hardest of civil PE exams. Only 64% and 55% of students managed to clear it in the first attempt. You will have to consistently prepare for the PE exam for 3 to 6 months to clear it, no matter which exam.

**What is on the chemical engineering PE exam?** The 9-hour PE Chemical exam consists of 80 questions over these topic areas: mass/energy balances; thermodynamics; heat transfer; chemical reaction engineering; fluids; mass transfer;

---

and plant design and operation.

### **How to pass PE chemical?**

**Which exam is best for chemical engineering?** Overall, to get admission to B. Tech Chemical Engineering programs, candidates must give national-level entrance exams such as JEE Main, and JEE Advanced, and some state-level entrance exams like OJEE, MHT-CET, etc.

**What is the hardest state to get a PE in?** From speaking to my candidates and clients, Florida and California are generally considered the most difficult states to obtain licences in due to the extra sections included in their standard PE exam.

**How is the PE compared to the FE?** Both exams are rigorous, but there are some key differences. The FE exam focuses on theory, while the PE exam is more practice-based. The FE exam also has a broader range of topics, whereas the PE exam specializes in a few areas.

### **What is the pass rate for chemical engineering?**

### **Can I take PE exam without FE in California?**

**What is the passing score for the PE exam?** As mentioned earlier, there is no predefined PE passing score set by the NCEES® you need to achieve for the PE Exam. However: It is suggested that the average passing score for the PE exam is about 70%. It means you will need to correctly answer about 70% of the problems, that is roughly 56 out of 80 correct responses.

### **What is the hardest exam to pass?**

**How difficult is the PE Power exam?** Just the time is given to complete it hints at how exhausting and extensive it is. The percentage of successful candidates can be as low as 49% or as high as 82% for first-time takers. The average passing score for the PE power exam is approximately 59 right answers out of 80.

**Is GCSE PE very hard?** At the very least, you need to be of average fitness when you start the course. There may be times when you will be playing sport for over three hours a day. You will also have to complete a variety of fitness tests and work

hard in sports you are unaccustomed to, which can be very tiring.
