How much time passes in The Crucible?

What was the time frame of The Crucible?

SWOT Analysis of Marriott Hotels

Marriott International is a global lodging giant with over 7,000 properties worldwide. To maintain its leadership position, the company must regularly conduct a SWOT analysis to assess its strengths, weaknesses, opportunities, and threats.

1. Strengths

- **Strong brand reputation:** Marriott is one of the most well-known and respected hotel brands in the world.
- **Diverse portfolio:** The company operates a wide range of hotel brands, from budget-friendly to luxury.
- **Global presence:** Marriott has a strong international presence, with properties in over 130 countries and territories.
- **Loyalty program:** Marriott's loyalty program, Bonvoy, is one of the largest in the industry, with over 160 million members.

2. Weaknesses

- **High operating costs:** Marriott's large size and global operations can lead to high operating costs.
- **Competition:** The hotel industry is highly competitive, with many large and well-established players.
- **Potential for brand dilution:** With such a diverse portfolio, Marriott risks diluting its brand if individual properties do not meet expectations.

3. Opportunities

- **Growing travel demand:** The global travel industry is expected to continue to grow in the coming years, presenting opportunities for Marriott to expand its business.
- **Expansion into new markets:** Marriott has the potential to expand into new markets, such as emerging economies.
- **Technological advancements:** Technology can provide Marriott with opportunities to enhance the guest experience and improve efficiency.

4. Threats

- **Online travel agencies (OTAs):** OTAs can bypass traditional hotel distribution channels and reduce Marriott's revenue.
- **Airbnb:** The rise of home-sharing platforms like Airbnb poses a threat to traditional hotels.
- **Economic downturns:** A downturn in the economy can lead to a decrease in travel demand and hotel occupancy.

5. Conclusion

Marriott Hotels is a leader in the global hotel industry with a strong brand reputation, diverse portfolio, and global presence. However, the company faces challenges from competition, high operating costs, and the potential for brand dilution. By capitalizing on opportunities such as growing travel demand and technological advancements, while mitigating threats like OTAs and economic downturns, Marriott can continue to strengthen its position in the industry.

Wordly Wise 3000 Word List Book 7 Lesson 1: Questions and Answers
