

As long as providing that and unless exercise

Download Complete File

What is an example of unless as long as provided? UNLESS and AS LONG AS and PROVIDED In other words, if you are a member, you can play there, but if you are not a member, you can't play there. So, in this situation, we can say: You can't play there unless you are a member. You can play there as long as you are a member.

What is the difference between as long as and provided that? The main difference between 'as long as' and 'provided that' is that 'provided that' is more formal than 'as long as. '

What is the difference between provided that and unless? I would say that the two words mean the exact opposite; provided that means only if it is the case and unless means only if it isn't the case.

What is the meaning of unless in grammar? Unless is similar in meaning to if not and can be used instead of if not in certain types of conditional sentences. We normally use unless with present tenses when we are referring to the future: You won't get in to see the show, if you don't have reserved seats.

When to use unless and as long as?

What are five sentences with as long as? We make no apology for not doing anything else as long as we accomplish our primary objective. This beautiful thing lasted as long as he lasted. She usually cannot be forced to go on leave as long as she can still work. Few of them are fussy about soil as long as they have good drainage.

What is the rule for using as long as? We use as long as to refer to the intended duration of a plan or idea, most commonly referring to the future. We always use the present simple to refer to the future after as long as: We are very happy for you to stay at our house as long as you like. I'll remember that film as long as I live.

What is an example of as long as conditional? "I will go as long as it is free." Here are some other examples: "You can borrow my bike as long as you are careful." = You can borrow my bike if you are careful. "You will pass the test as long as you study hard." = You will pass the test if you study hard.

What can I use instead of as long as?

What is an example of an unless statement? You'll be sick unless you stop eating. I won't pay if you don't provide the goods immediately. I won't pay unless you provide the goods immediately. If you don't study dilligently, you'll never understand trigonometry.

What are five sentences using unless? Unless he was very ill, he would be at work. I wouldn't eat that food if I wasn't really hungry. I wouldn't eat that food unless I was really hungry. She would be here by now if she wasn't stuck in traffic.

What is an example for if and unless? If you don't wear a raincoat, you will be drenched in the rain. Unless you violate the rules, you will not be in trouble.

Does unless mean only if? Unless means the same as if...not. Like if, unless is followed by a present tense, a past tense, or a past perfect tense (never by a conditional). Unless is used instead of if...not in conditional sentences of all types. The order of the clauses doesn't matter with sentences using unless.

What is the exact meaning of unless? Exact means correct in every detail. For example, an exact copy is the same in every detail as the thing it is copied from.

Why do people say unless? We use the conjunction unless to mean 'except if'. The clause which follows unless is a subordinate clause (sc): it needs a main clause (mc) to make a complete sentence. When unless comes before the main clause, we use a comma: Unless [SC]it rains, [MC]we'll go for a picnic by the river tomorrow.

What is the difference between provided and unless? The expressions providing, provided that and as long as have very similar meanings and are usually interchangeable. They are used before saying the conditions that make something else happen or be true. Unless is similar to if not.

How are the words as long as and unless different in meaning from if? iii) As long as our governments stay firm (condition), we will get global warming under control. iv) I think I'll continue studying English, as long as I have the time to do so (condition). "If" could also be used in all these examples above. b) We use 'unless' when it has the meaning 'except if'.

How to teach if and unless? Unless means except if or simply it means if...not. Both of these examples have the same meaning and refer to the present time. "You can't go on vacation unless you save some money." "If you don't save some money, you can't go on vacation."

What is an example of unless and as long as? I won't go to the beach unless somebody comes with me. I won't go to the beach as long as somebody comes with me.

What tense is as long as? Although examples are provided for the past, present and future, "as long as" and "so long as" are generally used with future forms. Notice the use of tenses: Future: Use "so / as long as" that something will not happen for the entire period of time expressed by the time clause with "as / so long as."

Can you start a sentence with as long as?

What is an example of an unless statement? You'll be sick unless you stop eating. I won't pay if you don't provide the goods immediately. I won't pay unless you provide the goods immediately. If you don't study diligently, you'll never understand trigonometry.

What are five sentences using unless? Unless he was very ill, he would be at work. I wouldn't eat that food if I wasn't really hungry. I wouldn't eat that food unless I was really hungry. She would be here by now if she wasn't stuck in traffic.

What is the meaning of unless otherwise provided? The term “unless otherwise” is used to describe a default condition or action in terms of no objections or suggestions being made.

What are some example sentences with provided that? "provided that" Example Sentences My boss doesn't care what time I come in, provided that I get the work done on schedule. Provided that I eat a big breakfast, I can skip lunch. Provided that we leave before noon, we can be at the meeting on time.
