**Is The Giver a guy or a girl?** The Giver is a male human who was introduced in The Giver. He was the former Receiver of Memory. **Who is Jonas crush in The Giver?** Fiona is a classmate and love interest of Jonas, the main character in Lois Lowry's novel, The Giver.

**What are The Giver's essential questions?**

**Does Jonas marry Fiona?** Lois Lowry I wish they hadn't made it feel certain that Jonas would go back, would be with Fiona again. Yeah, that's romantic. But actually..in the books that follow...he does not go back; he meets and marries a wonderful woman..not Fiona.

**Does Jonas have a crush on Fiona?** Fiona is Jonas's friend and the object of his first glimmering of sexual interest.

**Did The Giver ever get married?** Yes, the Giver is married, but he no longer interacts with his spouse. She lives with the other childless adults in their community.

**Does Jonas ever see Fiona again?** But Lowry says the film itself isn't consumed by the relationship between Jonas and Fiona, except for a line in the final scene in which Jonas says, "I knew I would see Fiona again." "I've written four books now (in this series) and he never sees her again," Lowry tells The News.

As the pain from the memory lingers later, Jonas realizes that his family has never experienced pain.

**Is The Giver Jonas's father?** He is a Nurturer at the Nurturing Center in his Community, and the father of Jonas and Lily, as well as the care-taker of Gabriel.

**What are 3 rules in the book The Giver?** Some of the rules in *The Giver* are that the Committee of Elders assigns family units, they assign jobs to twelve year old children, and strong emotions, lying, and rudeness are not permitted.

**Why do people love The Giver?** Many books convey broad “universal” themes—and these books deserve every bit of praise thrown at them—but everyone deserves a book that acts as an advocate on their behalf. *The Giver* does this, and it does so by saying to the reader: Your feelings matter. Your pain is real. Your life is worth living.

---

**Should kids read *The Giver*?** Personally, it's so important to teach students to question everything when they're going through their "coming-of-age" phase. *The Giver* stands as the perfect rite-of-passage for middle schoolers before high school. It almost sets the scene for more complex books like *1984* and other classics.

**What is the biggest problem in *The Giver*?** The antagonist in *The Giver* is society itself. The primary conflict in *The Giver* revolves around Jonas's rejection of his society's restrictive ideal of Sameness. Although the elders make decisions for the community, they themselves merely uphold a system put in place by their forebears.

**What is the most important lesson in *The Giver*?** The moral of *The Giver* is that life is not complete without both good and bad experiences. While the world Jonas lives in has eliminated pain, hunger, and other negatives, they have also eliminated love, families, and freedom of choice.

**Did Jonas cry in *The Giver*?** Jonas cried, too, for the same reasons, and another reason as well. He wept because he was afraid now that he could not save Gabriel. He no longer cared about himself. ' Jonas is learning that it is not as easy as he thought to live in a world without steady food, shelter, and medical care.

**Why is Jonas angry with Lily?** Jonas is upset with Lily for drawing attention to the fact that his eyes are unlike most everyone else's dark eyes. Because people in the community chose Sameness, it is extremely rude to talk about things that are different.
