What is the clearance process for the DoD?

What is active DoD security clearance? An “active” clearance is one in which the candidate is presently eligible for access to classified information. A “current” clearance is one in which a candidate has been determined eligible for access to classified information but is not currently eligible without a reinstatement.

What are the levels of DoD security clearance? A clearance may be at the Confidential, Secret or Top Secret level and is typically granted through the DoD via the Office of Personnel Management.

During which part of the personnel security clearance process does the FSO initiate an employee's personnel security clearance request? When an employee working for a cleared company requires access to classified information in the performance of his or her duties, the company's FSO initiates the process for the employee to be processed for a PCL through DCSA. Individuals cannot apply for a personnel security clearance on their own.

What disqualifies you from DoD clearance? Not loyal to the U.S. / foreign influence. Illegal drug use/involvement. Mental incompetency or psychological conditions. Dishonorable discharge from the military or revoked security clearance.

What is the denial rate for a DoD security clearance? Between 2015 and 2020, about 2-5% of security clearance applications faced denial each year. According to

the Defense Office of Hearings and Appeals (DOHA), Financial Issues caused 29% of denials in 2020, which isn't surprising considering the amount of debt most Americans carry.

How do I check the status of my DOD security clearance? For questions regarding the status of an individual's security clearance, individuals should contact their security manager or designated security official for assistance. More information about adjudication status and how to appeal decisions is found on the DCSA website.

How long does DOD security clearance last? An individual is normally subject to periodic reinvestigation at a minimum of every 5 years for a Top Secret level clearance and every 10 years for a Secret level clearance.

Spiritual Laws that Govern Humanity and the Universe

The universe and humanity are governed by certain spiritual laws that influence our lives and shape our destiny. These laws provide a framework for understanding the interconnectedness of all things and the purpose of our existence.

1. The Law of Karma

- **Question:** What is the Law of Karma?
- **Answer:** Karma means action, and the Law of Karma states that every action, intention, and thought has a corresponding reaction or consequence. This reaction can be experienced in this life or in future lives. By understanding this law, we can take responsibility for our choices and strive to act with integrity and compassion.

2. The Law of Attraction

- **Question:** How does the Law of Attraction work?
- **Answer:** The Law of Attraction suggests that like attracts like. In other words, we attract experiences, people, and circumstances into our lives that resonate with our thoughts, beliefs, and desires. By focusing on positive and uplifting thoughts, we can manifest our intentions and create a fulfilling life.

3. The Law of Oneness

- **Question:** What is the significance of the Law of Oneness?
- **Answer:** The Law of Oneness teaches us that we are all connected to each other and to the universe. We are not separate entities, but rather part of a larger whole. By recognizing this interconnectedness, we can develop empathy, compassion, and a deep sense of belonging.

4. The Law of Free Will

- **Question:** How does Free Will relate to the other spiritual laws?
- **Answer:** The Law of Free Will allows us to choose our path and make our own decisions. However, the choices we make are subject to the Law of Karma. By exercising our Free Will wisely, we can take responsibility for our actions and create a positive future for ourselves and others.

5. The Law of Surrender

- **Question:** What does it mean to surrender to the universe?
- **Answer:** The Law of Surrender teaches us to let go of control and trust the divine plan. By releasing our resistance to the flow of life, we can experience greater peace, joy, and abundance. Surrender is not about giving up, but rather about aligning ourselves with the higher purpose of the universe.
