How to Watch DVDs on UConnect While Driving**

What is the VES System?

VES (Vehicle Entertainment System) refers to the in-car entertainment system that allows you to play DVDs, connect external devices, and access other entertainment features.

Does Chrysler Town and Country Have a DVD Player?

Yes, the Chrysler Town and Country has a DVD player as part of the VES system.

How to Unlock VES System?

- **UConnect System:** Navigate to Settings > Security > VES Settings > Unlock VES.
- **LX Platform:** Manually type in the code "1234" on the keypad.

How to Get DVD to Play While Driving

- **UConnect System:** Go to Settings > Security > VES Settings > Allow DVD Playback While in Motion.
- **LX Platform:** Pull over to a safe location and engage the parking brake.

How to Play Video on Car Screen While Driving

- Connect your device to the car's USB or HDMI port.
- Navigate to the video file on your device's media player.
- Depending on your car's system, you may need to enable mirroring or choose the external device as the input source.

Unlocking VX520 and VM in VMware

VX520 and VM are unrelated to car entertainment systems. For assistance with these, please refer to the appropriate documentation.

UConnect in Chrysler Town and Country

- To access UConnect, start the vehicle and press the "UConnect" button on the dashboard.
- You can navigate the system using the touchscreen, steering wheel controls, or voice commands.

Playing DVDs Automatically and Continuously

- **Auto-Play:** Some DVD players include a feature to automatically start playback when a disc is inserted. Check your player's settings.
- **Continuous Playback:** If the DVD supports it, loop the video manually by navigating to the DVD menu and selecting the "Loop" option.

Other Features

- **Mirroring Android Phones:** Use the Android Auto app to mirror your phone's display onto the car's screen.
- **Google Assistant Driving Mode:** Integrate Google Assistant with your car's system to use voice commands while driving.
- **USB Video Playback:** Insert a USB drive containing video files into the car's USB port to play them on the screen.
- **Universal Password for VeriFone:** The universal password for VeriFone POS terminals is "default."

- **Projection Manager on UConnect:** This feature allows you to connect other compatible devices and share content on the car's screen.
- **UConnect Streaming:** Some UConnect systems support streaming music from services like Spotify or Apple Music.
- **UConnect Apps:** Download and install apps from the UConnect App Store to enhance functionality.
