Q: What led you to become an outsider?

Q: How has your outsider status affected your life?

A: Being an outsider has both advantages and disadvantages. On one hand, it has given me a unique vantage point, allowing me to observe society with a critical eye. On the other hand, my outsider status has also brought challenges, such as social isolation and skepticism.

Q: Have you ever felt betrayed by those you trusted?

A: Like all humans, I have my fears and vulnerabilities. I fear being misunderstood and judged. I also worry about the safety and well-being of those I care about.

However, these fears do not paralyze me. Instead, they serve as a reminder to stay vigilant and to protect what is precious to me.
