**What is the best and the brightest David Halberstam about?** Brief summary The Best and the Brightest by David Halberstam is a powerful account of the men who shaped American foreign policy during the Vietnam War. It offers a critical analysis of their decisions and the consequences of their actions.

**Why was Kennedy's cabinet called the best and the brightest?** The title referred to Kennedy's "whiz kids"—leaders of industry and academia brought into the administration—whom Halberstam characterized as insisting on "brilliant policies that defied common sense" in Vietnam, often against the advice of career U.S. Department of State employees.

**What is the book The Brighter the Light about?** From the bestselling author of Honeysuckle Season comes an evocative dual-timeline novel detailing one woman's journey to discover the hidden stories of her family's seaside resort. When a shipwreck surfaces, old secrets are sure to follow.

**What is the synopsis of the reckoning Halberstam book?** The Reckoning gives a riveting account of the most decisive economic confrontation of this century--between Detroit's Ford Motor Company and Japan's Nissan. Here are young Ford, renegade Iacocca, visionary Katayama--everyone needed to reveal the crucial nuances behind two nations competing for commercial supremacy.

Kennedy, who was the youngest person ever elected to the presidency, surrounded himself by other young, accomplished men.

In May 1961, JFK authorized sending an additional 500 Special Forces troops and military advisors to assist the pro-Western government of South Vietnam. By the end of 1962, there were approximately 11,000 military advisors in South Vietnam.

**What did David Halberstam investigate?** In 1964, at age 30, Halberstam earned a Pulitzer Prize for his reporting from Vietnam. His best-selling book, *The Best and The Brightest*, chronicles America's deepening involvement in Vietnam through the Kennedy and Johnson administrations.

Marie-Laure's blindness makes her an intriguing female heroine; because of her lack of sight, she becomes a more courageous individual than the characters who can see.

**What happens in the book *Light*?** In the end, Pete chooses to possess Caine in order to defeat Gaia. The two face off in an epic battle of light, burning each other into ash, until both die.

**Is John Grisham's book *The Reckoning* based on a true story?** John Grisham "stole" a story for his latest novel. He admits to the literary larceny, saying it's a story he heard three decades ago as a Mississippi lawmaker, where he often drank coffee and listened.

**How does the reckoning book end?** Pete remains stoic and refuses to divulge his reasons, confounding and exasperating his lawyers. Pete is taken to court and is found guilty of first-degree murder. Pete gets the electric chair. A great ride, from start to finish.
