What can you conclude about Fielding's attitude toward the poor? Answer: He thinks that poor people are more virtuous than the rich. Explanation: In the essay, "The Poor and Their Betters" by Henry Fielding, Fielding talks about how the rich seem to want to keep as many titles for themselves even the ones that they do not deserve such as being called betters in relation to the poor.

Where in the Bible does it say we will collect from the poor and give to the rich? Proverbs 22:16-23 King James Version (KJV) He that oppresseth the poor to increase his riches, And he that giveth to the rich, shall surely come to want.

Do you like the story of the poor man and his son why? Yes, I like the story of the poor man and his son because they were honest and great believer of God.

Is the narrator's attitude toward the king positive or negative How do you know? The author's attitude towards the character is negative for me because the author highlights all the negative attributes of the King not contradicting it with any positive ones after. He also discussed his love for his daughter briefly while explaining his greediness in detail.

How does God want us to give to the poor? God commands us to put our faith and love into action and do something about the needs of the poor. He wants us to feed the hungry, to clothe the needy, and to help figure out ways to shelter the homeless in a way that will help them get back on their feet again.

What did Jesus say about the rich and the poor? "Then he looked up at his disciples and said: "Blessed are you who are poor, for yours is the kingdom of

God.... But woe to you who are rich, for you have received your consolation” (Luke 6:20, 24). “And Jesus said to them, 'Take care!

What does the Bible say about the poor and needy? Psalm 41:1 Blessed is the one who considers the poor! In the day of trouble the Lord delivers him; Psalm 72:12 For he delivers the needy when he calls, the poor and him who has no helper. Proverbs 14:21 Whoever despises his neighbor is a sinner, but blessed is he who is generous to the poor.

What is the moral of the story of the poor man? The tale of the poor man conveys the importance of 'walking the talk,' and learning the importance of being practical in our lives. Young kids will learn invaluable life lessons from this short story as it clearly illustrates the significance of hardwork and dedication, and not simply imagining things inside our head.

What is the difference between the proud man and the poor man? In the sympathy poem, the proud man is described as someone who is self-sufficient and does not need anyone's help. He is proud of his achievements and does not want to be seen as weak or vulnerable. On the other hand, the poor man is described as someone who is in need of help and is not ashamed to ask for it.

How did the girl help the poor boy? With much hesitation, he asked the girl for a glass of water. The young girl immediately understood the poor boy's condition and offered him a huge glass of milk. With a surprising look, the boy drank the milk and thanked the pretty girl.

What larger meaning might be read into doodles "cry brother, don't leave me"? Don't leave me” (Hurst 4). This example shows that even when Brother was mean, Doodle still looked to his Brother to protect him because Doodle says this right after Brother forces him to touch his coffin. Therefore, Doodle trusts Brother and thinks his brother can keep him safe when he is scared.

What attitude does the author reveal? Tone refers to the author's attitude—how they feel about their subject and their readers. It expresses something of the author's persona, the aspects of their personality they wish to show to their readers. For example, are they being funny or serious? Are they writing with fondness or with derision?

What is a narrator's attitude toward the story called? In literature, tone is, simply put, the attitude that a character or narrator or author takes towards a given subject.

Is it a sin to be poor? Poverty comes from sin... but that doesn't mean it's a sin to be poor. If you're having financial trouble and struggling with your faith in God because of it, there's something you should know: God didn't create poverty, and He never intended you to live in it.

What sin causes poverty? As noted above injustice, for example is a sin and evil of not treating all people fairly. This state of affairs breaches the aforementioned relationships and is one of the causes of poverty in the African society.

Why does Jesus favor the poor? There may be several reasons, but three seem certain. Jesus was born into poverty, and he chose to continue to live in poverty as an adult. He felt a deep sense of belonging among the poor, and he clearly embraced and identified with those who were economically oppressed in his society.

How to break the spirit of poverty? Prayerfully develop a habit of self-discipline to go to the Word first. The voice of the poverty spirit says, "When I get (name an amount of money or a particular position), then I will take that step of faith and give or journey toward the desires God has placed on my heart to further His Kingdom."

Can a rich man go to heaven? But Jesus qualified His shocking statement by saying, "The things that are impossible with people are possible with God" (Luke 18:27, amp). Just as it's impossible for a camel to go through the eye of a needle, it's impossible with people—but not with God—for a rich man to enter Heaven.

What does the Bible say about those who mistreat the poor? 9. Oppressing the poor shows contempt for their Maker (Proverbs 14:31) "Whoever oppresses the poor shows contempt for their Maker, but whoever is kind to the needy honors God."

What does God say about the homeless? Notable references include: Isaiah 58:7, which exhorts the faithful to share their homes with the homeless and not to ignore their own kin. Matthew 25:35-40, where Jesus identifies with the needy, suggesting that giving to the homeless is akin to giving to Him directly.

What does God tell us to do for the poor? “Sell your possessions and give to the poor. Provide purses for yourselves that will not wear out, a treasure in heaven that will never fail, where no thief comes near and no moth destroys. For where your treasure is, there your heart will be also.”

What is God's option for the poor? The "preferential option for the poor" refers to a trend throughout the Bible, of priority being given to the well-being of the poor and powerless of society in the teachings and commands of God as well as the prophets and other righteous people.

What does Proverbs 22 verse 16 mean? In this verse he speaks out against those who oppress disadvantaged people, for the benefit of those who are already well off. He assures his readers that taking advantage of the poor and trying to buy the favor of those who are wealthier than themselves results in poverty.

What does the Bible say about taking money from the poor? 'Whoever oppresses the poor shows contempt for their Maker, but whoever is kind to the needy honors God.' Solomon warns that to oppress those who are poor and in need is a serious offence, not only sinning against them, but sinning against God.

What does Proverbs 22:14 mean? Moving towards sinful urges is as dangerous as walking unaware towards a deep trap. The comparison used here echoes the anger God expresses at sin as a type of spiritual adultery. After committing physical adultery with Bathsheba, King David felt the disastrous effects of his sin.

What does Proverbs 22:18 say? ESV for it will be pleasant if you keep them within you, if all of them are ready on your lips. NIV for it is pleasing when you keep them in your heart and have all of them ready on your lips. NASB For it will be pleasant if you keep them within you, So that they may be ready on your lips.
