

CONSTITUTION TRIVIA QUESTIONS WITH ANSWERS

[Download Complete File](#)

What are some fun facts about the Constitutional? The U.S. Constitution has 4,400 words. It is the oldest and shortest written Constitution of any major government in the world." Of the spelling errors in the Constitution, "Pensylvania" above the signers' names is probably the most glaring. Thomas Jefferson did not sign the Constitution.

What are the famous words of the Constitution? "We the People of the United States, in Order to form a more perfect Union, establish Justice, insure domestic Tranquility, provide for the common defense, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity, do ordain and establish this Constitution for the United States of ...

What was the biggest question during the Constitutional Convention? One of the fiercest arguments was over congressional representation—should it be based on population or divided equally among the states? The framers compromised by giving each state one representative for every 30,000 people in the House of Representatives and two representatives in the Senate.

What questions do people have about the Constitution? -- Why was the US constitution written? -- What happened at the constitutional convention? -- Who wrote the US constitution? -- How was the US constitution ratified?

What are 3 main ideas about the Constitution? First it creates a national government consisting of a legislative, an executive, and a judicial branch, with a system of checks and balances among the three branches. Second, it divides power between the federal government and the states. And third, it protects various

individual liberties of American citizens.

Who created the constitution? On February 21, 1787, the Confederation Congress agreed to call for a convention of state delegates to meet in Philadelphia for the “sole and express purpose of revising the Articles.” Instead of amending the Articles of Confederation, the convention delegates crafted an entirely new framework of government: the U.S. ...

Who is greatest Constitution in the world? The Constitution of India is the longest written constitution of any country in the world, with 146,385 words in its English-language version, while the Constitution of Monaco is the shortest written constitution with 3,814 words.

What are the first 3 words in the Constitution? Its first three words – “We The People” – affirm that the government of the United States exists to serve its citizens. The supremacy of the people through their elected representatives is recognized in Article I, which creates a Congress consisting of a Senate and a House of Representatives.

What is the number 1 of the Constitution? Article I, Section 1 provides: “All legislative Powers herein granted shall be vested in a Congress of the United States, which shall consist of a Senate and a House of Representatives.” The Constitution first vests all federal legislative powers in a representative bicameral Congress.

Who is often called the father of the constitution? James Madison, America's fourth President (1809-1817), made a major contribution to the ratification of the Constitution by writing The Federalist Papers, along with Alexander Hamilton and John Jay. In later years, he was referred to as the “Father of the Constitution.”

Who signed the US Constitution? Of the 74 delegates who were chosen, 55 attended and 39 signed. Several attendees left before the signing ceremony, and three of the 42 who remained refused to sign. Jonathan Dayton, age 26, was the youngest signer, while Benjamin Franklin, age 81, was the oldest.

What was the last state to ratify the Constitution? By this time, all the States except North Carolina and Rhode Island had ratified—the Ocean State was the last to ratify on May 29, 1790.

Who actually hand wrote the US Constitution? Jacob Shallus or Shalus (1750–April 18, 1796) was the engrosser or penman of the original copy of the United States Constitution. The handwritten document that Shallus engrossed is on display in the Rotunda of the Charters of Freedom at the National Archives Building in Washington, D.C.

What are the four main ideas of the Constitution? The four main ideals enshrined in the Preamble of the Indian Constitution are Justice, Liberty, Equality and Fraternity. Explanation: The Preamble entrenched the following four principles: Justice is made up of three components: social justice, economic justice, and political justice.

Who drafted the Constitution? Toward the close of these discussions, on September 8, a Committee of Style and Arrangement, including Alexander Hamilton from New York, William Samuel Johnson from Connecticut, Rufus King from Massachusetts, James Madison from Virginia, and Gouverneur Morris from Pennsylvania, was appointed to distill a final draft ...

What are 3 facts about the Constitutional Convention? There were 55 delegates to the Constitutional Convention, although only 39 signed the document. Twelve of the 13 states were represented; Rhode Island did not send delegates to the Convention. The Constitution became law on June 21, 1788, after two-thirds of the states ratified it.

How many people signed the constitution? In all, 55 delegates attended the Constitutional Convention sessions, but only 39 actually signed the Constitution. The delegates ranged in age from Jonathan Dayton, aged 26, to Benjamin Franklin, aged 81, who was so infirm that he had to be carried to sessions in a sedan chair.

Il Trattato di Scherma col Bastone da Passeggio: Domande e Risposte

Il "Trattato di Scherma col Bastone da Passeggio" è un manuale storico scritto da Giuseppe Rosaroll-Scorza nel 1890. Questo trattato fornisce istruzioni dettagliate sull'uso del bastone da passeggio come arma di autodifesa.

1. Qual è lo scopo del trattato?

Il trattato mira a insegnare ai lettori come utilizzare il bastone da passeggio per difendersi efficacemente dall'attacco di un aggressore. Fornisce anche consigli sulla scelta del bastone giusto e sul suo utilizzo corretto.

2. Chi ha scritto il trattato?

Il trattato è stato scritto da Giuseppe Rosaroll-Scorza, un famoso schermidore e maestro d'armi italiano. Era noto per la sua abilità sia nella scherma tradizionale che nell'uso del bastone da passeggio.

3. Quali tecniche sono descritte nel trattato?

Il trattato descrive una serie di tecniche di scherma con il bastone da passeggio, tra cui parate, attacchi, e finte. Fornisce anche istruzioni sull'uso del bastone per disarmare un avversario.

4. Il trattato è ancora rilevante oggi?

Sebbene il trattato sia stato scritto overo un secolo fa, i suoi principi rimangono rilevanti oggi. Le tecniche descritte nel trattato possono ancora essere utilizzate efficacemente per l'autodifesa. Tuttavia, è importante notare che l'uso del bastone da passeggio come arma può variare a seconda della giurisdizione.

5. Dove posso trovare il trattato?

Il trattato è disponibile in diverse lingue, tra cui inglese, italiano e francese. Può essere scaricato gratuitamente da Internet o acquistato in forma cartacea da alcuni rivenditori.

How do I check my physics answers?

What is the product of a rotating object's moment of inertia and its angular velocity? Linear momentum is the product of the moment of inertia and angular velocity for a rotating object.

Is there a website that solves physics problems? Wolfram|Alpha helps you explore step-by-step answers to a wide range of physics problems to help with homework or general education. Use flexible formulas to solve different variables for

the same equation with topics covering the full range of physics, including electromagnetism, relativity and Newtonian mechanics.

What app can I use to find physics answers?

How to calculate moment of inertia? It appears in the relationships for the dynamics of rotational motion. The moment of inertia must be specified with respect to a chosen axis of rotation. For a point mass, the moment of inertia is just the mass times the square of perpendicular distance to the rotation axis, $I = mr^2$.

How to find omega in physics?

How to solve rotational motion?

How to find the answer of a physics problem?

What is the best website for physics answers?

How do I pass my physics?

How can I solve physics easily?
