3DS Learning Solutions: Public Cloud Companion for 3dexperience

What is the Public Cloud Companion for 3dexperience?

The Public Cloud Companion for 3dexperience is a cloud-based platform that provides access to 3DS Learning Solutions' portfolio of training materials. It empowers learners with the flexibility to access and complete training at their own pace, from anywhere with an internet connection.

What are the benefits of using the Public Cloud Companion?

- **Flexibility:** Learners can access training materials on-demand, whenever and wherever it's convenient for them.
- **Scalability:** The platform can accommodate any number of learners, making it suitable for large-scale training initiatives.
- **Cost-effectiveness:** The subscription-based pricing model provides a cost-effective way to access high-quality training.

What types of training materials are available?

The Public Cloud Companion offers a range of training materials, including:

- Instructor-led online courses
- Self-paced e-learning modules
- Knowledge content and documentation

Who should use the Public Cloud Companion?

The Public Cloud Companion is designed for anyone who wants to learn about 3D design, engineering, and simulation using Dassault Systèmes' 3DEXPERIENCE platform. This includes engineers, designers, students, and professionals seeking certification or upskilling.

How do I access the Public Cloud Companion?

To access the Public Cloud Companion, visit the 3DS Learning Solutions website and subscribe to the platform. You can then create a user account and start exploring the available training materials.
