Understanding AABB Standards and Technical Guides**

What is the AABB?

The AABB (American Association of Blood Banks) is a professional organization for individuals involved in the collection, storage, and transfusion of blood and blood products.

What is AABB Standard?

AABB Standards are comprehensive guidelines developed by the AABB to ensure the safety and quality of blood banking practices. These standards cover a wide range of topics, including blood collection, testing, storage, and transfusion.

What is a Technical Guide?

A technical guide is a detailed document that provides specific instructions and recommendations for performing blood banking procedures. The AABB publishes a series of technical guides that complement their standards.

Current Edition of the AABB Technical Manual

The current edition of the AABB Technical Manual is the 19th edition, published in 2021.

Current Edition of the AABB

The current edition of the AABB refers to the latest version of their Standards and Technical Guides. The current edition is the 18th edition, published in 2020.

Practical Advantage of Approximate Red Cell Suspension over Exact

An approximate red cell suspension is less time-consuming and labor-intensive to prepare compared to an exact suspension. It provides a reasonable estimate of the red cell concentration for most routine procedures.

How to Make 0.8 Red Cell Suspension

To make a 0.8% red cell suspension, add 5 mL of whole blood to 62.5 mL of saline solution.

How to Make 5% Cell Suspension

To make a 5% cell suspension, add 1 mL of cells to 19 mL of saline solution.

How to Make 3% Cell Suspension

To make a 3% cell suspension, add 3 mL of cells to 97 mL of saline solution.

AABB Graphics

AABB Graphics is a software system developed by the AABB for managing and organizing blood bank data, including donor and transfusion records.

Latest Edition of the Bluejackets Manual

The latest edition of the Bluejackets Manual is the 25th edition, published in 2021.

Circular of Information

A circular of information is a document issued by the AABB to provide updates and clarifications on specific AABB standards or technical guides.
