The Rock Says: A Q&A with WWE Legend Dwayne Johnson

Q: What was the inspiration behind your iconic catchphrase, "The Rock says"?

A: I wanted to create a phrase that was simple, catchy, and unforgettable. I chose "The Rock says" because it's short, easy to remember, and it gives me power and authority over the crowd.

Q: How did your catchphrase become so popular?

A: I started using it during my days in the Nation of Domination and it quickly caught on with the fans. People loved how it made me sound like a powerful leader and it helped me connect with the audience on a personal level.

Q: What is your favorite memory associated with your catchphrase?

A: My favorite memory was when I was in the ring with Stone Cold Steve Austin and was giving him a promo. I said, "The Rock says your chances of beating me at WrestleMania are slim to none." The crowd erupted in cheers and it was a moment that I will never forget.

Q: How did your catchphrase impact your career?

A: My catchphrase played a major role in my success in the WWE. It helped me establish myself as a top star and it allowed me to connect with millions of fans around the world. It's something that I'm proud of and it will always be a part of my legacy.

Q: Do you still use your catchphrase today?

A: Yes, I still use my catchphrase occasionally. I've even incorporated it into some of my movies and TV shows. It's a part of who I am and it's something that I will always be known for.
