Why does Mary insist that the officers eat dinner? Mary Maloney forces the detectives to eat the leg of lamb because she wants to destroy the murder weapon. If she disposed of the leg in the trash, the men might wonder why she threw away a perfectly good leg of lamb.

Why does Mary giggle at the end of the story? Mary giggles at the end of the story because she knows she has gotten away with murdering her husband. She is laughing at the irony as the detectives unwittingly devour the murder weapon, thereby erasing any tie between her and the crime.

Why does Mary go shopping for groceries?
