History and Historiography\*\*

### **What is the 12 volume world history?**

The "12 Volume World History" is a comprehensive work by British historian Arnold J. Toynbee that chronicles the rise and fall of civilizations over a period of 6,000 years.

### **What is the study of history about?**

The study of history examines past events and societies to gain insights into human behavior, motivations, and civilizations' trajectories.

### **What are the abortive civilizations?**

Abortive civilizations are societies that fail to fully develop or achieve their full potential. Toynbee identified several factors that may lead to their demise.

### **Who wrote the study of history?**

Arnold J. Toynbee wrote "A Study of History," a monumental 12-volume work on world history.

### **What is the longest single volume book in the world?**

Toynbee's "A Study of History" is the longest single-volume book in the world, comprising over 7,000 pages.

### **What is the 12 thousand year old civilization?**

Göbekli Tepe, an archaeological site in Turkey, is believed to be a 12,000-year-old civilization that predates previously known civilizations.

### **What is the study of history based on?**

The study of history is based on primary and secondary sources, such as written documents, artifacts, and archaeological evidence.

### **Who was known as the father of history?**

The Greek historian Herodotus is known as the "father of history." He wrote "The Histories," which recorded the events of the Greco-Persian Wars.

### **What are the 10 values of history?**

According to Toynbee, the 10 values of history are: inspiration, knowledge, education, guidance, self-understanding, communion, initiative, detachment, humility, and forgiveness.

### **What is the oldest civilisation on Earth?**

Göbekli Tepe is believed to be the oldest known civilization on Earth, dating back to 9,000-10,000 BC.

### **What was the most advanced civilization in history?**

The ancient Egyptians are often considered one of the most advanced civilizations in history, known for their monumental architecture, advanced mathematics, and written language.

### **Is there a lost civilization?**

Scholars debate the existence of lost civilizations, such as Atlantis and Mu, based on fragmentary evidence and legends.

### **What is Toynbee's theory?**

Toynbee's theory of history proposes that civilizations go through a cycle of birth, growth, breakdown, and disintegration.

### **What is history by Toynbee?**

Toynbee believed that history is a process of interaction between people, ideas, and civilizations, and that civilizations are driven by a "creative minority."

### **What are the civilizations according to Arnold Toynbee?**

Toynbee identified 21 civilizations in his "A Study of History," including the Sumerian, Egyptian, Mayan, and Western civilizations.

### **What is the shortest book ever?**

The shortest book ever published is "A Void" by Matthew B. Crawford, which consists of a single page with the word "void" printed on it.

### **What is the most sold book in the world?**

The Bible is the most sold book in the world, with an estimated 5 billion copies sold.

### **What is the #1 longest book in the world?**

The #1 longest book in the world is "The Story of the World" by Edward Toynbee, which comprises 24 volumes.

### **Who lived 8000 years ago?**

Ötzi the Iceman, a preserved body discovered in the Alps, is believed to have lived approximately 5,300 years ago, not 8,000 years ago.

### **Which civilization is 5000 years old?**

The Indus Valley Civilization, located in present-day Pakistan and India, is approximately 5,000 years old.

### **What civilization lived 7000 years ago?**

The Vinča culture, located in present-day Serbia, is approximately 7,000 years old.

### **How many volumes are there in Middle-Earth history?**
