What is the theme in Akeelah and the Bee? A few themes that was explored in the film Akeelah and the Bee were perseverance, confidence, friendship, and culture. As the film starts out, Akeelah is a middle school student in Los Angeles. It is shown that her father has passed away and she lives with her mother and brothers and sister.

Why is Akeelah and the Bee a good movie? The story of Akeelah's ascent to the finals of the National Spelling Bee makes an uncommonly good movie, entertaining and actually inspirational, and with a few tears along the way. Her real chance at national success comes after a reluctant English professor agrees to act as her coach.

What is the hidden meaning of the bee? Throughout the modern & ancient world the bee is a symbol of wisdom, birth and rebirth & industry. Bees, like fairies, are

often considered guardians of the natural world, eternally linked with love, magic and romance.

What does the bee movie teach us? The movie teaches lessons about gratitude, friendship, working together, and maintaining the balance of nature created by the “sweet Lord of bees,” and of humans. Like the recent family movie THE GAME PLAN, there is no foul language or crude sexual comedy, but a few offhand remarks require caution for younger children.

Does the Bee movie have a deeper meaning? The relationship between bees and the humans in Bee Movie represents the exploitation and alienation of proletariat workers, and how class division can lead to revolution.

Why doesn't Akeelah want to participate in the spelling bee? While Akeelah loves spelling, she is hesitant to participate in the contest because in her school there is danger in being labeled a “brainiac,” and it's wiser to keep your smarts to yourself.

What advice does Javier give Akeelah? Javier notably advises Akeelah to believe in herself and keep moving forward despite any challenges. He also encourages her to remember her roots and stay humble even as she strives to reach her goals.

What motivates Akeelah to join the spelling bee? Akeelah is initially reluctant to join the Spelling Bee, as she is afraid of failing and letting her community down. However, she is eventually persuaded by her mentor, Dr. Larabee, who believes in her potential. Akeelah also finds inspiration from her friends and family, who all encourage her to pursue her dreams.

What lessons does the Bee movie teach? = If you don't focus on what you do best then who will do your part in the world? Once Barry Bee knew how important the role of bees to pollinate the flowers and plants, he apologized for his mistake = Know when you make a mistake and own up to it.

What lessons are learned in the secret life of bees? Lily's growth came little by little, by observing August run the honey business successfully, by learning from her the lessons of the bees including the importance of the female power structure, and most importantly, how women can be powerful in this world despite challenges.

Is Akeelah and the Bee an educational film? It means that the writer tried to explain a clear description about educational value by author (Akeelah Anderson) in the movie. The writer choose this movie because it is a great watch for children, teenagers and adults. The movie shows us the important of education in our life although there is no family a able.
