**How to create tech products customers love summary?** "INSPIRED is the authority on how to build a product that customers actually want. It's not about hiring product managers – it's about establishing a culture that puts the user first, and builds the organization and teams around that customer to ensure that you are building the best product possible.

**How do you make customers love your product?** Be customer-centric The first advice for making customers fall in love with you business is easy: be customer-centric. But what is customer-centricity and why is it so important? Look at it this

way: having your service or products focus only on the how and what is like trying to build a house from the roof down.

### **How do you make a product people love?**

**What makes people love a product?** Distinctiveness: The uniqueness offered by brands helps a product stand out among competitors. Think about choosing a particular brand of cereal, like Kellogg's, in a supermarket—it's the brand's distinctiveness that helps you make the quick choice.

### **What can I say to attract customers?**

**What makes a product attractive to a customer?** Increasing product appeal requires designers to incorporate the same characteristics into products as they do for their brands. Design principles like utility, reliability, usability, pleasurable, and desirability should inform every decision when making your products more appealing.

### **How to create a product people want?**

### **How do you attract customers to buy your product?**

### **How do you turn likes into customers?**

## **The Law on Partnerships and Private Corporations by Hector S. De Leon: Q&A**

### **Paragraph 1: Basic Concepts**

- **What is a partnership?**

A partnership is an association of two or more persons who have agreed to collaborate in a common undertaking for profit.

- **What is a corporation?**

A corporation is a legal entity separate and distinct from its owners (shareholders), which is established by law to carry out a specific purpose.

## **Paragraph 2: Formation and Organization**

- **How is a partnership formed?**

A partnership is typically formed through an oral or written agreement among the partners.

- **How is a corporation formed?**

A corporation is formed by filing Articles of Incorporation with the Securities and Exchange Commission (SEC).

## **Paragraph 3: Rights and Liabilities**

- **What rights do partners have?**

Partners have the right to participate in management, share profits and losses, and inspect the partnership's records.

- **What liabilities do partners have?**

Partners are jointly and severally liable for the partnership's debts and obligations.

- **What is the liability of shareholders in a corporation?**

Generally, shareholders are only liable up to the amount of their investment in the corporation.

#### **Paragraph 4: Dissolution and Winding Up**

- **How is a partnership dissolved?**

A partnership can be dissolved by agreement of the partners, by operation of law (e.g., death of a partner), or by court order.

- **How is a corporation dissolved?**

A corporation can be dissolved voluntarily (by vote of the shareholders) or involuntarily (by court order, for reasons such as financial insolvency).

#### **Paragraph 5: The Law on Partnerships and Private Corporations by Hector S. De Leon**

Hector S. De Leon's book, "The Law on Partnerships and Private Corporations," is a comprehensive guide to the legal framework governing partnerships and corporations in the Philippines. It provides an in-depth analysis of key concepts, cases, and regulations, making it an indispensable resource for lawyers, business professionals, and students in this field.
