**Your Past Does Not Define Your Future**

**By Bo Sanchez**

Often times, people are haunted by their past mistakes. They believe that their past failures and shortcomings will forever define them. However, this is not true. Your past does not define your future.

---

**Q: Why do people believe that their past defines their future?**

**A:** There are a few reasons why people believe this. One reason is that we tend to dwell on our negative experiences. We remember our mistakes and failures more than we remember our successes. This can lead us to believe that our past is more important than our present or future.

**Q: How can we overcome this belief?**

**A:** The first step to overcoming this belief is to forgive yourself for your past mistakes. Everyone makes mistakes, and it is important to learn from them and move on. Dwelling on your mistakes will only hold you back from moving forward.

**Q: What if I have made a serious mistake?**

**A:** Even if you have made a serious mistake, it does not mean that your life is over. Everyone deserves a second chance. Learn from your mistake and make a commitment to not repeating it.

**Q: How can I start to create a better future for myself?**

**A:** The first step to creating a better future is to set goals. What do you want to achieve in your life? Once you have set your goals, you can start to make a plan to achieve them. Take action each day, and don't give up on your dreams.

**Q: What if I fail?**

**A:** Failure is a part of life. Everyone fails at some point. The important thing is to not give up. Learn from your mistakes and keep moving forward.

Remember, your past does not define your future. You have the power to create a better future for yourself. Forgive yourself for your past mistakes, set goals, and take action each day. With hard work and determination, you can achieve anything you set your mind to.

**Who fainted when Dally died?** According to Ponyboy, Dally died because, "Dally Winston wanted to be dead and he always got what he wanted" (154). Ponyboy fainted in the vacant lot because of the gash he got on his head during the rumble and the shock of seeing two of his friend die.
