

OTHELLO EXAM QUESTION AND ANSWERS

[Download Complete File](#)

How do you answer an Othello question? Explore the significance of this extract in relation to the tragedy of the play as a whole. Remember to include in your answer relevant analysis of Shakespeare's dramatic methods. textual reference is also fine. Quote marks should only be used when you are certain the quote is accurate.

What is Othello examining in Act 3 Scene 2 of Othello? In this lesson, we will discuss Act 3, Scene 2 of William Shakespeare's "Othello" in which Othello gives Iago letters to take to Venice while he examines the walls of the city.

Why is Iago so upset with Othello? The play opens as Iago is telling Roderigo that he hates Othello because Othello has promoted Cassio to be his lieutenant instead of him, even though Cassio 'never set a squadron in the field' and has much less experience. Iago tells Roderigo 'I follow him to serve my turn upon him'.

What does Roderigo want that causes him to do everything Iago tells him to? He is in love with Desdemona and wanted to marry her. He believes Iago is trying to help him win Desdemona's love.

Is Iago in love with Desdemona? Iago also mentions that he is attracted to Desdemona himself: "I do love her too" (2.1.). Neither of these reasons seem totally sufficient for just how much Iago hates Othello, and notably, he declines to answer when Othello asks him his motivation at the end of the play, saying only "Demand me nothing."

What is the main lesson of Othello? "Othello" is a cautionary tale. It prompts us to check our reflexive feelings and to be fairer and more generous toward those whom

we might dismiss or pigeonhole. It also encourages us to be more forgiving of others' trespasses.

Did Cassio and Iago sleep together? First, he tells Othello that while Cassio and Iago were sharing a bed, Cassio called out Desdemona's name in his sleep, wrung Iago's hand, kissed him hard on the lips, and threw his leg over Iago's thigh.

Why does Iago hate Othello? Iago hates Othello for multiple reasons, some more rational than others. Firstly, he is angry at Othello for choosing Cassio over him. He believes that he is the better soldier and is more deserving of the position. Secondly, he believes that Othello is conceited and chose Cassio to slight him.

What does the handkerchief symbolize in Othello? Othello goes on to tell Desdemona that his mother had given it to him on her deathbed, wanting him to give it to his future wife. In this scene, the handkerchief is given symbolic significance as it represents fidelity and Othello's promise to be true to Desdemona, asking that she do the same in return.

Who kills Roderigo? In the dark streets of Cyprus, Roderigo attacks Cassio, who, uninjured, stabs Roderigo. Iago then wounds Cassio in the leg. Othello, hearing Cassio cry out, thinks that Iago has killed him, and departs to murder Desdemona. Iago then kills the wounded Roderigo.

Why did Othello choose Cassio over Iago? Othello chooses him as lieutenant because he is loyal but later believes reports from Iago that Cassio is having an affair with his wife. Iago uses Cassio's personality, good looks, and friendly nature to manipulate Othello into believing Cassio is having an affair with Desdemona.

Why did Iago betray Othello? Iago betrays Cassio and Othello because he feels they have betrayed him, meaning they violate his trust. He is upset that Othello promoted Cassio and not him, and he thinks both Othello and Cassio have slept with his wife, Emilia.

Why does Iago get Cassio drunk? Iago wants Cassio to get drunk so that he will get in a fight with the other people that Iago has contrived to get drunk and agitated that evening. He plans to use Cassio's fighting to ruin him, and thereby either remove him as an obstacle to his plans, or use him to further them.

What does the candle symbolize in Othello? The Candle Comparing the murder to snuffing out a candle highlights how fragile Desdemona's life is at this moment, and how easily lost. However, Othello acknowledges that while he could always light the candle again if he regrets extinguishing it, nothing will be able to revive Desdemona once he kills her.

Why does Iago say "put money in thy purse"? Thornton cites the old proverb, "If youth but knew what age would crave, it would both get and save." "Put but money in thy purse" comes from Othello 1.3, in which Iago speaks the words repeatedly to Roderigo, urging him to sell all his lands and give the money to Iago, who will use it to convince Desdemona to have sex ...

Did Desdemona ever truly love Othello? Desdemona is fascinated by Othello's stories about his life and the war, and her compassion leads her to fall in love with him. While their passion for each other is true, it is complicated by their difference in race and status.

Does Iago want to sleep with Desdemona? He says that he himself loves Desdemona, though mainly he just wants to sleep with her because he wants revenge on Othello for possibly sleeping with Emilia.

Why is Iago jealous of Cassio? Iago's Jealousy Iago is jealous of both Othello's success and the fact that Othello made Cassio a lieutenant. Iago claims that Cassio has never set a foot on the battlefield and that in promoting Cassio Othello has chosen by letter and affection and not by old gradation (Act 1. Scene 1).

What is the most important scene in Othello? Othello wants Cassio dead, Iago agrees to do it, and then Othello wonders how to kill Desdemona. This scene, often called the "temptation scene," is the most important scene in the entire play and one of the most well-known scenes in all drama.

What is Othello's tragic flaw? Othello's tragic flaw is a couple of things. First of all, Othello does not know who to trust. In the story, Othello blindly puts his faith in the malevolent Iago who plans revenge, yet suspects the loyalty of Desdemona who stays true to Othello, which ultimately leads to his downfall.

What is the ultimate message of Othello? Othello, Desdemona, Iago, Roderigo, Cassio, Emilia, and Brabantio. A cautionary tale about the dangers of unchecked jealousy and the destructive power of manipulation. People must be careful not to believe everything they hear, and to question the motives of those who seek to deceive and manipulate.

How do you start an Othello essay? When working on your Othello essay introduction, you should get a clear understanding of The Moor character and its origin. Your intro should thoroughly explain the subject to your audience. Don't forget to include a thesis which discloses the central message of your paper. Put it at the end of your intro.

How does Othello answer these accusations? Answer and Explanation: As a result, Brabantio accuses Othello, in front of senators and the Duke, of having used witchcraft to seduce Desdemona. Othello responds that the only witchcraft that he has used is the love between the two.

How do you quote Othello in an essay?

How to structure Othello a level essay? For most essays, the structure would consist of a topic sentence/ point e.g. 'Shakespeare presents Iago as the Machiavellian vice of the play who appears 'honest' but is deceitful...', followed by quotes from the play or novel to support your point which are further developed with a complex analysis such as 'the word ' ...

Who Was David Weiser?

David Weiser was an American television producer and writer who played a pivotal role in the creation and success of some of the most iconic sitcoms of all time.

Q: What was David Weiser's first major contribution to television? A: Weiser's first major contribution was as a writer and producer on the beloved sitcom "Cheers," where he helped develop memorable characters and storylines that made the show a cultural phenomenon.

Q: What is David Weiser best known for? A: Weiser is best known as the co-creator and executive producer of the groundbreaking sitcom "Frasier," a spin-off of

His sitcoms have been enjoyed by generations of viewers and continue to inspire laughter and heartwarming moments. His contributions helped shape the golden age of television sitcoms and set a high standard for future comedy creators.

Total Engagement: Using Games and Virtual Worlds to Revolutionize Work and Competition

In today's rapidly evolving business landscape, companies are seeking innovative ways to engage their employees and gain a competitive edge. One emerging strategy that has proven highly effective is total engagement, which leverages the power of games and virtual worlds to transform the way people work and businesses compete.

What is Total Engagement?

Total engagement is a holistic approach that integrates game dynamics and virtual environments into the workplace. By creating a gamified environment, businesses can encourage employee participation, enhance motivation, and drive productivity.

How do Games and Virtual Worlds Contribute to Total Engagement?

1. Gamification: Games provide a structured and rewarding framework that motivates employees by setting clear goals, offering rewards, and fostering a sense

of accomplishment.

2. Virtual Collaboration: Virtual worlds allow employees to interact and collaborate in immersive environments, breaking down geographical and hierarchical barriers.

3. Training and Development: Games and virtual worlds provide engaging and interactive learning platforms, facilitating skill development and knowledge transfer.

What are the Benefits of Total Engagement?

1. Increased Employee Engagement: Total engagement fosters a sense of purpose and fun, leading to higher levels of employee motivation and satisfaction.

2. Enhanced Collaboration: Virtual environments promote open communication, teamwork, and knowledge sharing, improving team dynamics and innovation.

3. Improved Productivity: Gamified incentives and real-time feedback systems drive accountability and boost productivity, allowing businesses to achieve their goals faster.

4. Competitive Advantage: By embracing total engagement, businesses differentiate themselves from competitors and attract top talent.

What are the Success Factors for Implementing Total Engagement?

1. Clear Objectives: Define specific goals and objectives that align with the company's business strategy.

2. Engaging Content: Develop high-quality game mechanics and virtual world environments that resonate with employees.

3. Integration into Workflows: Seamlessly integrate games and virtual worlds into daily work processes to maximize engagement and productivity.

4. Continuous Feedback and Improvement: Regularly gather feedback from employees and iterate the total engagement program to ensure its effectiveness.
