**Does Oblivion: Goty have all DLC?** Oblivion and its two expansion packs. The Elder Scrolls IV: Oblivion Game of the Year Edition is a compilation of Oblivion, Shivering Isles expansion pack, and Knights of the Nine expansion pack. It does not contain any of the other official plug-ins.

**What is the difference between Oblivion GOTY and normal?** The difference is the GOTY version comes with a second disc containing the two main DLC, Knights of the Nine and Shivering Isles. [The DLC is "downloaded" right off the disc but doesn't count as purchasing it from the Xbox Marketplace.]

**Which Oblivion version is best?** I'd just buy the digital deluxe edition if I were you. For a few bucks more you get some rather useful theme based player homes, an extremely long dungeon romp, a new method for acquiring spells, and of course house armour haha.

**Has Oblivion been remastered?** The Elder Scrolls IV: Oblivion has been lovingly remastered with a free texture pack you can download right now. For fans of the Elder Scrolls series, The Elder Scrolls VI must feel like a world away considering it only entered full-development last year following the release of Starfield.

Jack repairs combat drones that hunt the remaining scavengers and guard the hydrothermal platforms that convert seawater into fusion energy.

**Who is the best game in the world?**

**Why was Oblivion changed to M?** The pertinent content causing the change in the ESRB rating involves more detailed depictions of blood and gore than were considered in the original rating of the game (the game already carried a Blood and Gore content descriptor), as well as the presence in the PC version of the game of a locked-out art file that, if ...

**What is included in Oblivion Game of the Year Edition Deluxe?**

**Does Oblivion have any DLC?** Naturally, the big-sized DLCs in Oblivion are going to be better than the smaller nuggets, since they offer quests, new locations to plunder, and unique loot on a much grander scale. Still, they're all bundled together in the Game of the Year edition, making it the go-to way to experience the game to its fullest.

**Does Oblivion GOTY have trophies?** Accepted Answer. It does not. It was released on Ps3 before trophy support was in use. The XBOX360 version has achievements, though.
