

# POSTHARVEST HANDLING AND SAFETY OF PERISHABLE CROPS

## [Download Complete File](#)

**What is post-harvest handling of perishable crops?** After harvest, fruits and vegetables need to be handled with care to maintain freshness, nutrient content, taste and quality. Fruits and vegetables are highly perishable, and so poor after harvest handling can result in losses.

**What are the characteristics of perishable crops?** Perishable crops are agricultural products that have a limited shelf life and are prone to spoilage if not properly preserved[1][3]. These crops include fruits, vegetables, and other fresh produce that are highly perishable due to their moisture content and susceptibility to microbial growth[5].

**Why packaging practices is important in postharvest handling?** Product packaging is a critical post-harvest handling process that must protect the product from physical damage, minimize moisture loss, and prevent contamination. Careful selection of packaging materials is critical to ensure safe and high-quality products reach the consumer.

**How do you preserve perishable crops?** For many years fruit and vegetables have been preserved by heat, using canning or bottling methods. The object is to kill the enzymes and micro-organisms by heating the produce in liquid in cans or jars. The containers are then sealed while still hot to prevent contamination of the sterilized contents.

**What are the 5 handling practices for post-harvest operations?** Postharvest handling includes all steps involved in moving a commodity from the producer to the consumer including harvesting, handling, cooling, curing, ripening, packing,

packaging, storing, shipping, wholesaling, retailing, and any other procedure that the product is subjected to.

**What is postharvest handling?** In agriculture, postharvest handling is the stage of crop production immediately following harvest, including cooling, cleaning, sorting and packing. The instant a crop is removed from the ground, or separated from its parent plant, it begins to deteriorate.

**What are 5 examples of perishable foods?**

**What are the most perishable crops?** In contrast to grain, crops such as potatoes, yams, carrots and onions are more perishable and require carefully managed storage conditions to maintain top quality.

**Which of the following is an example of perishable crops?** Answer. Answer: Examples of perishable crops include tomato (*Lycopersicon esculentum*), pepper (*Capsicum* spp), banana (*Musa* spp), leafy vegetables amongst others.

**How do you clean post harvest handling?** Step 1: Remove any obvious dirt and debris from the food contact surface. Step 2: Apply an appropriate detergent and scrub the surfaces. Step 3: Rinse the surface with clean water, making sure to remove all the detergent and soil. Step 4: Apply a sanitizer approved for use on food contact surfaces.

**What is dumping in post-harvest?** Produce must somehow be removed from the field bin or harvesting container and moved through the packinghouse. This first step is known as "dumping". Dumping must be done gently, whether using water assisted methods or dry dumping.

**What are the 4 methods of harvesting?** The four steps of harvesting are reaping, threshing, cleaning, and transporting. Utilizing cutting-edge technology to harvest crops is crucial since it decreases grain waste and improves grain quality and quantity. Reaping is the act of harvesting grain or pulses by cutting them with a scythe, sickle, or reaper.

**How do you handle perishable?**

**How can we prevent spoilage of perishable crops?** Timely cooling: Since refrigeration slows the development of micro-organisms and physiological changes responsible for deterioration of perishable crops, it is obvious that cooling should be applied as soon as possible after harvest.

**What are the post harvest losses in perishable crops?** Postharvest loss includes the food loss across the food supply chain from harvesting of crop until its consumption [9]. The losses can broadly be categorized as weight loss due to spoilage, quality loss, nutritional loss, seed viability loss, and commercial loss [11].

**What are the factors to be considered during post-harvest handling?**

**What are the most important goals of post-harvest handling?** The three main objectives of applying postharvest technology to harvested fruits and vegetables are: to maintain quality (appearance, texture, flavor and nutritive value) to protect food safety, and. to reduce losses between harvest and consumption.

**How can you maintain quality during postharvest handling?** Two of the most critical means for maintaining vegetable quality during postharvest handling are minimizing mechanical injury and managing temperature. Proper handling and temperature management will significantly reduce losses due to decay and accelerated senescence.

**What is the problem in postharvest?** Critical factors contributing to postharvest loss As a product moves in the postharvest chain, PHLs may occur from a number of causes, such as improper handling or biodeterioration by microorganisms, insects, rodents or birds.

**How do you manage post harvest?** Threshing and winnowing Winnowing is then done to remove trash and avoid mechanical seed mixing. Keep the harvested grain in hermetic plastic bags properly tied to avoid seed mixing. Grain should be stored in clean containers at 12% moisture content to minimize damage by molds and storage insect pests.

**How do you prevent post harvest loss?** Keep Your Produce Cool After harvesting, move the item to the processing building as soon as possible. Quickly move the product into a cooler after preparing. Strategies to extend the cooling rate

POSTHARVEST HANDLING AND SAFETY OF PERISHABLE CROPS

incorporate forced cooling (inside the capacity room), hydro cooling and, in some cases, icing.

**What are perishable crops?** Perishable food crops, by definition, refer to agricultural food produce which have short life-span and must be consumed or processed within a short-time after harvest. Examples of perishable crops include tomato (*Lycopersicon esculentum*), pepper (*Capsicum* spp), banana (*Musa* spp), leafy vegetables amongst others.

**What is the safest of all perishable foods?** Among the safest of all perishable foods, pathogens cannot grow in yogurt because it is highly acidic.

**What are high-risk perishable foods?**

**What is the longest lasting perishable food?** Due to their inherent properties that deter bacterial growth, both sugar and salt can be stored for extended periods without spoilage. Liquors like gin, whiskey, and tequila, when unopened, can last indefinitely, courtesy of their high alcohol content.

**What is the least perishable fruit?**

**What is the most eaten crop in the world?** Rice is the primary crop and food staple of more than half the world's population. Asia is the world's largest rice-producing and rice-consuming region. Rice is also becoming an increasing food staple throughout Africa.

**What is post harvest management of crops?** Defining Post-Harvest Management Post-harvest management is a system of handling, storing, and transporting agricultural commodities after harvest. For some commodities such as coffee and cocoa, post-harvest activities may include drying and fermenting as well.

**What is the meaning of perishable crops?** Perishable food crops, by definition, refer to agricultural food produce which have short life-span and must be consumed or processed within a short-time after harvest. Examples of perishable crops include tomato (*Lycopersicon esculentum*), pepper (*Capsicum* spp), banana (*Musa* spp), leafy vegetables amongst others.

**What do you mean by post-harvest?** Meaning of post-harvest in English happening or existing after a harvest (= the activity of cutting and collecting crops): The aim is to minimize post-harvest crop loss. There is a postharvest ceremonial meal. They take great care with their produce, even post-harvest.

**What are the factors to be considered during post harvest handling?**

**What are the steps involved in post-harvest management?**

**How do postharvest activities protect fresh produce?** Optimal postharvest treatments for fresh produce seek to slow down physiological processes of senescence and maturation, reduce/inhibit development of physiological disorders and minimize the risk of microbial growth and contamination.

**What are the techniques of postharvest?** Types of postharvest processing ? Technical activities: harvesting, field drying, threshing, cleaning, additional drying, storage, processing; ? Economic activities: transporting, marketing, quality control, nutrition, extension, information and communication, administration and management.

**What are the most perishable crops?** In contrast to grain, crops such as potatoes, yams, carrots and onions are more perishable and require carefully managed storage conditions to maintain top quality.

**What are 5 examples of perishable foods?**

**Which of the following is an example of perishable crops?** Answer. Answer: Examples of perishable crops include tomato (*Lycopersicon esculentum*), pepper (*Capsicum* spp), banana (*Musa* spp), leafy vegetables amongst others.

**What are the 5 post harvest operations?** Apparently, it is possible to reduce loss of the produce during harvesting, threshing, cleaning, transporting, storage and preparation as human consumption and as animal feed.

**Why is postharvest handling important?** The three main objectives of applying postharvest technology to harvested fruits and vegetables are: to maintain quality (appearance, texture, flavor and nutritive value) to protect food safety, and. to reduce

losses between harvest and consumption.

**What are the post harvest handling activities?** Postharvest activities means services performed on crops, after their harvest, with the intent of preparing them for market or further processing. Postharvest activities include, but are not limited to, crop cleaning, sun drying, shelling, fumigating, curing, sorting, grading, packing, and cooling.

**How can we prevent spoilage of perishable crops?** Timely cooling: Since refrigeration slows the development of micro-organisms and physiological changes responsible for deterioration of perishable crops, it is obvious that cooling should be applied as soon as possible after harvest.

**What are the characteristics of perishable crops affecting their post-harvest life?** The major causes of food deterioration in harvested crops are microorganisms, natural food enzymes, insects, rodents and parasites, heat and cold, moisture and dryness, air, for example, O<sub>2</sub>, light and time.

**How should harvest be handled?**

**How to play Spin Master?** Spinmaster can be played individually or in teams. As players/teams correctly identify what has been sketched, performed or described, they collect spindiscs. When all of the spindiscs are used up, the player/team with the most is the winner.

**What is a Spin Master?** Spin Master Corp: Overview It provides toys, entertainment and digital games. The company offers a wide range of products including action figures, dolls, games, puzzles and preschool toys. Spin Master brands include Bakugan, PAW Patrol, Air Hogs and Hatchimals among others.

**Who started Spin Master?**

**Where did Spin Master come from?** Founded in 1994 in Toronto, Canada, by two childhood friends, Ronnen Harary and Anton Rabie, and later joined by their classmate Ben Varadi, Spin Master has grown from one initial product to become a global leader in children's entertainment with over 30 offices in close to 20 countries and more than 2,000 employees.

## **How do you play the game spin?**

**What age is spin master for?** Founded in 1994, the Toronto office remains Spin Master's global headquarters, serving as the centre for most administration functions and sharing design and marketing responsibilities with the Los Angeles office.

**Does Spin Master still exist?** Today, Spin Master Entertainment creates and produces compelling multiplatform content, stories and characters through their in-house studio, based in Toronto, Canada, and partnerships with outside creators.

**What is a Spin Master slang?** noun. a public relations person who tries to forestall negative publicity by publicizing a favorable interpretation of the words or actions of a company or political party or famous person.

**Who is the CEO of Spin Master?** President/CEO, Spin Master Corp.

**What is the net worth of Spin Master?** Spin Master has a market cap or net worth of CAD 3.32 billion as of August 30, 2024. Its market cap has decreased by -10.87% in one year.

**Where does Ronnen Harary live?** Personal life. Ronnen Harary lives in Toronto, Canada.

**What is the mission statement of Spin Master?** to make life more fun. We Welcome You - All of you - To our Sandbox. We bring the joy of being a kid to the world. That starts with embracing the power of diverse thought, celebrating the different, and a team that plays well together.

**Does Spin Master support Israel?** Since its inception, Spin Master has led missions all over the world, including Kenya, Iraq, Israel, Mexico and Turkey, delivering more than 840,000 toys to disadvantaged or displaced children.

**Is Spin Master a good company?** Employees in Toronto have given Spin Master a rating of 3.4 out of 5 stars, based on 193 company reviews on Glassdoor. This indicates that most employees have a good working experience in Toronto.

**How do you play spin easily?**

**How do you predict spin?** The only ways to predict roulette results are as follows: A biased wheel that favors one number (or at least one section of the wheel) over a lot of trials. This isn't quite the same as how to “predict a winning number” but it's a step in that direction.

**What is the game where you spin at the casino?** roulette, (from French: “small wheel”), gambling game in which players bet on which red or black numbered compartment of a revolving wheel a small ball (spun in the opposite direction) will come to rest within. Bets are placed on a table marked to correspond with the compartments of the wheel.

**Does Spin Master own Paw Patrol?** Spin Master, Ltd. is the company that owns the rights and licenses for PAW Patrol and Rubble & Crew. They also help produce those shows under Spin Master Entertainment.

**Who owns Melissa and Doug?** On October 11, 2023, six years after AEA Investors acquired the company, Spin Master Corp. announced an agreement to acquire Melissa & Doug for \$950 million in cash, hoping to close the deal in the first quarter of the following year. On January 2, 2024, it was reported that the purchase had been completed.

**Is spin class for guys?** Spinning for guys can be a legitimately bad-ass cardio workout—with an average 600-calorie-per-60-minute class burn, it's going to get you fitter, faster, than just about anything else.

**How many employees does Spin Master have?** We're a Canadian Company with Global Reach. Spin Master is a publicly listed company with over 30 offices in close to 20 countries and more than 2,000 employees.

**Is Spin Master Hot Wheels?** It is the successor to Mattel's Hot Wheels Monster Jam toy line; however, the trucks have more detail, and are also longer than Mattel's.

The trucks are released in 3 sizes: 1:64, 1:24 and 1:43 "Rev n' Roars", as well as 1:43 and 1:24 R/C toys. Playsets will also be released.

**Who is the new CEO of Spin Master?** Max Rangel was appointed Global President of Spin Master in January 2021 and became Global President & CEO in April 2021.

**How to play Jumanji board game spin master?**

**How do you master the spin move?**

**How do you play the spinner Roblox?** The Spinner is a horror experience created by the group vintage mens clothing. Players spin on a wheel and one of them is selected, where the players can sacrifice them or let them live by betting in game currency. You can also add bounties to people to better the odds of them being picked the next round.

**How do you play spinner?**

**How do you play would you rather board game spin master?**

**How do you play Battle of the Sexes spin master?**

**How do you play left center right spin master?**

**How do you master spin?**

**How do you play spin easily?**

**How do you spin properly?** Focus on keeping your weight back in your hips and avoid pointing your toes for optimal pedal stroke. Having the correct lean and pushing down with flat feet helps you engage your quads, glutes, hips, thighs and calves more effectively, helping you develop more power throughout your entire session.

**How do you play spin the battle?** The game is played by several players who sit, stand, or kneel in a circle. A bottle (typically an empty glass soda or beer bottle) is placed on the floor in the center of the circle. A player spins the bottle, and must kiss the person to whom the bottle points when it stops spinning.

## **The War for Muslim Minds: Islam and the West**

In the aftermath of 9/11, a clash of ideologies emerged between the West and the Muslim world, aptly termed "the war for Muslim minds." This complex struggle has raised fundamental questions about the nature of Islam, the role of the West, and the future of the Middle East.

- **Why is there a war for Muslim minds?**

The war for Muslim minds stems from a perceived threat to Western civilization posed by extremist elements within Islam. The rise of groups like al-Qaeda and ISIS, coupled with the widespread anti-Western sentiment in some Muslim communities, has fueled fears of a global jihadist movement.

- **What is the West's role in this conflict?**

The West has played a complex and often contradictory role in the war for Muslim minds. While seeking to combat terrorism and promote democracy, Western powers have also been accused of fostering instability, supporting dictatorships, and alienating Muslim populations through misguided military interventions.

- **What do Muslims want?**

Muslims are a diverse and complex group with a wide range of views. While some support violence and extremism, many others reject these ideologies and seek to live in peace and prosperity. Muslims' aspirations include political stability, economic opportunity, and social justice.

- **How can the conflict be resolved?**

Resolving the war for Muslim minds requires a multifaceted approach. It involves addressing the underlying grievances that fuel extremism, such as poverty, unemployment, and political oppression. Additionally, it necessitates promoting interfaith dialogue, bridging cultural divides, and fostering a greater understanding of Islam in the West.

- **What is the future of Islam and the West?**

The outcome of the war for Muslim minds will shape the future of both Islam and the West. If extremist ideologies prevail, the region and the world will face continued violence and instability. Alternatively, if moderate voices are empowered and cooperation prevails, there is hope for a more peaceful and prosperous coexistence between the two civilizations.

**What is the message of the poem Casabianca?** The message of the poem "Casabianca" includes 1: - Heroism: The main theme of this piece is heroism and bravery. Casabianca was merely a boy of 13. Still, he showed exceptional courage in the face of death.

**What is the central idea of the poem Casabianca?** Theme "A man of courage is full of faith." or "Patriotism is a great virtue that makes people forgive their selfness." Central Idea The central idea of this poem is the noble characteristics like chivalirism, obedience and morality demand the impossible, the obsolete and the death which itself transfigured into ...

**Why did Casabianca not leave the Burning deck questions?** Instant Answer The reason for this was his strong sense of duty and loyalty to his father, who was the ship's commander. Casabianca's father had ordered him to stay at his post on the burning ship, and the boy obeyed, even as the fire raged around him.

**What lesson do we learn from the poem Casabianca?** Ans. We have the feelings of the importance of obedience, heroism and discipline after reading the poem "Casabianca". We learn a lesson of obedience and bravery after reading this poem.

**What is the message behind the poem?** Message is the thing that encourages poets to create poetry. The message can be found after knowing the meaning of poetry. Message or advice is captured by readers as the impression after reading the

POSTHARVEST HANDLING AND SAFETY OF PERISHABLE CROPS

poem. How the reader to conclude message poetry is closely related to the point of view of the reader toward something.

**What is the conclusion of the Casabianca?** The boy alone remains, and he is gone." In conclusion, while "Casabianca" honors the bravery and loyalty of the young boy, it also presents a powerful anti-war message, highlighting the futility, senseless sacrifice, and devastating consequences of war.

**What is the metaphor in the poem Casabianca?** Elizabeth Bishop's "Casabianca" uses literary devices, such as metaphors, and structure to illustrate the complex attitude (proud determination) she has towards love. The entire poem is composed of an extended metaphor, comparing the action of a sailor to the true meaning of love.

**What happened to Casabianca in the end?** Answer. The French ship was caught on fire, all the Frenchmen ran away and left the ship, but the young boy refused to leave the ship saying that his father ordered him not to leave the ship. He did not go against the order of his father and died when the ship exploded.

**What is the summary of the poem Casabianca?** It is written in ballad meter with the rhyme scheme ABAB. It is about the true story of a boy who was obedient enough to wait for his father's orders, not knowing that his father is no longer alive. It is perhaps not widely realised that the boy in the poem is French and not English; his nationality is not mentioned.

**Why did Casabianca keep calling his father?** But the boy stayed on obeying the command of his father who had instructed him not to leave the ship without his permission. Meanwhile, Casabianca's father also died, but the boy was not aware of it. Presuming that his father must be somewhere around, he kept calling him, asking for his permission to leave.

**Why did Casabianca's father not reply?** Ans. The boy did not receive any reply as his father was unconscious and probably dead.

**Is Casabianca a true story?** Casabianca is the name of a young boy sailor. This poem is based on a true story from 1798. Casabianca will not leave his burning ship in the middle of a sea battle until his father, the commander of the ship, tells him he

can.

**What is the moral lesson that the poem teaches us?** Answer. The poem teaches us to face challenges with courage and spirit. it tells us that challenges polishes us and bring the best out of us. if we take challenges with full courage then challenges will become our friend and will reach to great heights in our life.

**What does the boy stood on the burning deck mean?** The expression "The boy stood on a flaming deck" has become a well-known literary allusion and is frequently used to indicate a predicament in which someone is confronted with a terrifying or dangerous situation yet manages to stay steadfast, brave, and devoted to their vocation.

**Why does the poet use the expression "a gallant child" for Casabianca?** Answer: Explanation: The poetess calls the Casabianca "a gallant child" because he stood like a rock, Fearless of the fire, the enemy's shelling and his despair in the moments of death and danger.

**What is the main point of the poem?** Main idea is what the poem is mostly about. It's not a summary because it doesn't contain many specific details. The main idea is the idea that all those little details go to support. To find the main idea, rev up your RPMs.

**What is the central message of the poem?** The central idea is what the poet is writing about or conveying to the reader. The message of the poem is the poet's feelings of position regarding the central idea. For example, the central idea of a poem might be war. The message might be opposition to war, the devastation, loss, suffering.

**What is the main purpose of the poem?** It can also allow writers to express their emotions and allow readers to connect to those emotions. Poetry is also connected to aesthetics, or the exploration of what is beautiful in the world. The poetry of a particular culture is important when it comes to understanding that culture's history and values.

**What is the moral of Casabianca?** the moral was that we should not disobey elders and keep their word of mouth.

**What is the purpose of the poem Casabianca?** The poem tells the story of the young Louis de Casabianca, who remained on the burning deck, awaiting orders from his father, the ship's commander, who was already dead. Hemans uses this heart-wrenching scenario to explore the theme of dutiful obedience to authority.

**Which qualities are conveyed through the story of Casabianca?** In the poem poetess conveys the message of bravery, sacrifice, responsibility, patriotism and discipline through the story of Casabianca. Explanation: In these lines poetess tells that the boy stood on the board of the ship inspite of burning flames.

**What is the tribute in the last stanza of the poem Casabianca?** Answer: heart. Explanation: The tribute in the last stanza of the poem 'Casabianca' is that the noblest thing that perished there was the young, faithful heart.

**How did the poem Casabianca alter your idea and opinion about war?** The poem tells the story of a young boy, Casabianca, who remains at his post on a ship despite the chaos of battle and orders to abandon ship. The boy's unwavering commitment to duty, even in the face of danger, can evoke various emotions and perspectives.

**What is the simile in Casabianca?** Answer. Explanation: Even though he fell down on the board due to gun shots, he didn't stop calling his father and at last flames covered his whole body which poet described by using simile in these lines, "And streamed above the gallant child, Like banners in the sky (lines 31-32)."

**Is Casabianca based on a true story?** 'Casabianca' Might Not Be True, But It's Inspired by a Dark Reality. Image via Warner Bros. Rick Blaine, Louis Renault, Ilsa Lund, and Victor Laszlo are all fictional characters.

**What are the figures of speech in the poem Casabianca?** Alliteration, personification, and visual imagery figures of speech have been used by the poet while narrating the story. Explanation: The poet has used alliteration in the second stanza of the poem that describes the danger that is faced by the boy highlighting the determinant will of the boy.

**What shines around the boy in Casabianca?** Answer: Fire shines around the boy.

**What does as born to rule the storm mean?** Answer: we have been born to rule the storm means we have born to fight with difficult situation s.

**What is the background of Casabianca?** It is based on a true story - the son of the captain of a French warship, during the Battle of the Nile between Napoleon's fleet and the Royal Navy commanded by Nelson. The boy stood on the burning deck, Whence all but he had fled; The flame that lit the battle's wreck, Shone round him o'er the dead.

**What is the meaning of the lone post of death?** Answer: The poetess is describing the death scene of Casabianca through the phrase. It means that when the fire was near to engulf him and his death time had arrived, than he was all alone on the battleship.

**What is the summary of the poem Casabianca?** It is written in ballad meter with the rhyme scheme ABAB. It is about the true story of a boy who was obedient enough to wait for his father's orders, not knowing that his father is no longer alive. It is perhaps not widely realised that the boy in the poem is French and not English; his nationality is not mentioned.

**What is the main message of the poem a photograph?** The poetess through the poem photograph conveys the message of impermanence of life. The poetess wanted to show that change is the only static thing in life. Photograph is not just a positive print recorded by a camera; it is rather the capturing those moments which one will never get back.

**What is the metaphor in the poem Casabianca?** Elizabeth Bishop's "Casabianca" uses literary devices, such as metaphors, and structure to illustrate the complex attitude (proud determination) she has towards love. The entire poem is composed of an extended metaphor, comparing the action of a sailor to the true meaning of love.

**What message does the poet want to convey to the readers through the poem Fire and Ice?** Through the poem "Fire and Ice" poet wants to convey that the world will come to an end either by fire or by ice. Fire here stands for desire and greed and Ice stands for hatred and rigidity. The more we satisfy our greed, the more it

increases. Similarly, hatred is also ruining humans slowly.

**What happened to Casabianca in the end?** Answer. The French ship was caught on fire, all the Frenchmen ran away and left the ship, but the young boy refused to leave the ship saying that his father ordered him not to leave the ship. He did not go against the order of his father and died when the ship exploded.

**Why did Casabianca kept calling his father?** But the boy stayed on obeying the command of his father who had instructed him not to leave the ship without his permission. Meanwhile, Casabianca's father also died, but the boy was not aware of it. Presuming that his father must be somewhere around, he kept calling him, asking for his permission to leave.

**Is Casabianca a true story?** Casabianca is the name of a young boy sailor. This poem is based on a true story from 1798. Casabianca will not leave his burning ship in the middle of a sea battle until his father, the commander of the ship, tells him he can.

**What is central idea of the poem?** A poem's core concept is the subject of the poem, or 'what it's about' if you like. While many shy away from poetry being 'about' something, at the end of the day, as it was written, the poet had something in mind, and that something, whatever it was or may have been, is the central concept.

**How does the poet describe her mother's face?** The poet describes her mother as old and pale. As she dozed off beside her, the mother looked almost like a corpse, for her face was colourless and seemed to have lost the energy of life.

**What is the moral value of the poem photograph?** The theme of the poem Photograph is loss, memory and the transience of life. It explores how people may die but in a strange way they continue to live on in the form of memories. These memories are not just restricted to one's head but can also attain a tangible form such as photographs.

**What is the tribute in the last stanza of Casabianca?** Answer: heart. Explanation: The tribute in the last stanza of the poem 'Casabianca' is that the noblest thing that perished there was the young, faithful heart.

**Why does the poet use the expression "a gallant child" for Casabianca?**

Answer: Explanation: The poetess calls the Casabianca "a gallant child" because he stood like a rock, Fearless of the fire, the enemy's shelling and his despair in the moments of death and danger.

**Why did Casabianca not leave the burning deck?** Answer: Narrative. In Hemans' and other tellings of the story, young Casabianca refuses to desert his post without orders from his father. (It is sometimes said, rather improbably, that he heroically set fire to the magazine to prevent the ship's capture by the British.)

**What is the underlying message in the poem?** The underlying message in the poem is that one must get out of their boring routine and enjoy the adventures and challenges because only then their life will become interesting and beautiful.

**What is ice a symbol of?** Ice is a symbol of hatred, coldness, rigidity, insensitivity and intolerance.

**What message does the poet give?** The poem gives us the message of mutual and peaceful co-existence and warns us not to fight or hate others. The poet wants to say that there should be no discrimination between people on the basis of their appearance, religion or region. It is inhuman to tease one because of one's different background.
