What does the phrase "finishing the hat" mean? "Finishing the Hat" is all about an artist who must let the world pass by around him and disappoint those he loves because the art has to come first. This doesn't mean that he is not feeling, it just means that, to create great art, he has to focus and pour his life force into the project.

What is George doing while he's singing Finishing the Hat? George sits at his easel, painting and reflecting on Dot's decision to leave him. He sings "Finishing The Hat" realizing that he can never completely give himself over to a relationship without having his art get in the way.

What does at the end of a hat mean? If you do something at the drop of a hat, you do it immediately without stopping to think about it: People will file lawsuits at the drop of a hat these days. Not expected or planned. abrupt end. abrupt halt.

What does give the hat mean? to ask a number of people to give money for something, esp. to help pay for something or reward someone: They're passing the hat around the company to get money for charity. (Definition of pass the hat from the Cambridge Academic Content Dictionary © Cambridge University Press)

Why does Boy George always cover his head? Speaking on the Graham Norton show all the way back in 2000, he simply said: "I like hats." Yet that simple reasoning goes a little deeper than that. While he's a super fan of the accessory, his oversized hats has become so associated with the star, that it's part of his persona.

What is the point of Sunday in the park with George? Sondheim and Lapine's answer was that she was Seurat's mistress, Dot, and the show became about George's struggle (and the struggle of all serious artists) to reconcile his obsessive passion for his art with his often ignored personal life, represented by Dot.
