**What does Jim Rogers say about stock market?** The stock market has shown robust upward momentum in 2024, with both the S&P 500 and the Nasdaq Composite posting double-digit gains year to date. However, renowned investor Jim Rogers is sounding the alarm. In a recent interview with ET Now, Rogers expressed that he is “extremely worried” about what lies ahead.

**What does Warren Buffett say about investing in the stock market?** What Is the Essence of Buffett's Investing Principles? The short answer is to buy undervalued stocks with solid long-term potential.

**What does Dave Ramsey say about investing in the stock market?** We recommend a buy-and-hold strategy when it comes to investing. The stock market is like a roller coaster. There are going to be ups and there are going to be downs—the only people who get hurt are the ones who try to jump off before the ride is over.
