Mazda RX-8: Common Problems, Longevity, and Reliability**

What is the Common Problem in the Mazda RX-8?

The most common issue plaguing the Mazda RX-8 is its unreliable and short-lived rotary engine.

How Long Will a Mazda RX-8 Engine Last?

On average, a well-maintained Mazda RX-8 engine can last for around 80,000 to 120,000 miles. However, rebuilds or engine replacements are often necessary before reaching this point.

Is RX-8 Expensive to Fix?

Yes, the RX-8 is notoriously expensive to fix due to its complex rotary engine. Rebuilding or replacing the engine can cost thousands of dollars.

Why are Mazda RX-8 so Bad?

The RX-8's poor reputation stems primarily from its unreliable rotary engine, which requires frequent maintenance and costly repairs.

Which RX-8 Year to Avoid?

The 2004-2008 model years are generally considered the least reliable, with the 2009-2011 models being slightly more reliable.

Is the Mazda RX-8 a Good Car?

Despite its reliability issues, the Mazda RX-8 offers a unique driving experience with its high-revving rotary engine and sporty handling. However, potential buyers should be aware of its potential maintenance costs.

Why was Mazda RX8 Discontinued?

The Mazda RX8 was discontinued due to its low sales volume and stringent emissions regulations that made the rotary engine less competitive.

How Many Miles Can You Get Out of a Mazda RX8?

With proper maintenance and care, some RX-8s have reached over 200,000 miles. However, the average mileage for the RX-8 is around 100,000 miles.

How Often do RX-8 Engines Need Rebuilding?

The frequency of engine rebuilds for the RX-8 varies depending on driving habits, maintenance, and modifications. On average, expect a rebuild every 60,000 to 100,000 miles.

What is the Weakness of the RX-8?

The primary weakness of the RX-8 is its unreliable rotary engine. This engine requires frequent oil changes, spark plug replacements, and rebuilds.

What is the Major Problem with Mazda?

The major problem with Mazda is its lack of availability of certain models in some markets and its relatively small dealer network.

What is the Full Speed of a Mazda RX-8?

The top speed of a Mazda RX-8 is approximately 155 mph.

What is the Rarest RX-8 Model?

The rarest RX-8 model is the "Spirit R" variant, which was only sold in Japan from 2002 to 2003.
