Question 4: How did you regain the focus you lost?

- Answer: I made a conscious effort to incorporate self-care into my daily routine. I scheduled time for meditation, exercise, and spending time with loved ones. I also learned to say no to non-essential commitments and prioritize activities that replenished me.

Question 5: What advice would you give to others who may have forgotten something important along the way?

- Answer: Don't be afraid to pause and reflect on what you may have lost sight of. It's never too late to make a change and re-align your priorities. Remember that self-care is essential for living a fulfilling and balanced life. Embrace the journey and don't be afraid to course-correct along the way.
