### **Student Exploration: Half-Life Gizmo Answers (NCPDev)**

**Question 1: What is the initial number of atoms in a radioactive sample?**

Answer: 1024

**Question 2: What is the half-life of the radioactive isotope in the Gizmo?**

Answer: 10 seconds

**Question 3: After 20 seconds, how many atoms will remain in the sample?**

Answer: 256

**Question 4: After how many half-lives will only 128 atoms remain?**

Answer: 3 half-lives (30 seconds)

**Question 5: If a radioactive isotope has a half-life of 2 days, how many days will it take for 90% of the atoms to decay?**

Answer: Approximately 24 days (9 half-lives)

**What is the book *The Third Reich* about?** *The Rise and Fall of the Third Reich: A History of Nazi Germany* is a book by American journalist William L. Shirer in which the author chronicles the rise and fall of Nazi Germany from the birth of Adolf Hitler in 1889 to the end of World War II in Europe in 1945.

**What is the coming of the Third Reich 2004?** This book is the first volume of a projected 3 volume history of the Third Reich. This volume traces the roots of the Nazi state in Wilhelmine Germany, the horrendous aftermath of WWI, the tragic and complicated history of the Weimar Republic, and actual accession to and seizure of power by the Nazis in 1933.

**Why did they call it the Third Reich?** The Third Reich, meaning "Third Realm" or "Third Empire", referred to the Nazi claim that Nazi Germany was the successor to the earlier Holy Roman Empire (800–1806) and German Empire (1871–1918).

**How accurate is the book *The Rise and Fall of the Third Reich*?** Shirer, unlike so many of today's "journalistic" books, provides a narrative that is probably 90 percent objective. Throughout the book, Shirer bases his reporting on sources captured after the Nazi defeat. These include memoranda, entries from personal diaries, and even some one-on-one interviews with former Nazis.

**What does "reich" mean in German?** Reich, (German: "Empire"), any of the empires of the Germans or Germany: the Holy Roman Empire (q.v.); the Second Reich, led by the Prussian Hohenzollerns (1871–1918); or the Third Reich of Nazi Germany (1933–45). See Germany.

**What were the three Reichs?** Deutsches Reich remained the official name of Germany until 1945, although these years saw three very different political systems more commonly referred to in English as: "the German Empire" (1871–1918), the Weimar Republic (1919–1933; this term is a post-World War II coinage not used at the time), and Nazi Germany ( ...

**Who ended the Third Reich?** Germany surrendered to the Allies on May 8, 1945. On this day, the "Third Reich" came to an end.

**What was Germany called before?** What was Germany called before it was called Germany? Germany was a conglomeration of many kingdoms and empires but was often referred to as Germania, the Holy Roman Empire, and the Franks. It was also previously known as Prussia.

**What does blitzkrieg mean?** Blitzkrieg, meaning 'Lightning War', was the method of offensive warfare responsible for Nazi Germany's military successes in the early years of the Second World War.

**Why did Germany invade Poland?** Hitler had attacked Poland because he wanted Germans to live there. He considered the Polish people inferior and only fit as a work force. In the last three months of 1939, the Nazis murdered 65,000 Jewish and non-Jewish Poles.

**What is a Führer in English?** German (der) Führer, literally, the leader (title assumed by Adolf Hitler), from Middle High German vüerer, from vüeren to lead, bear, from Old High German fuoren to lead; akin to Old English faran to go — more at fare.

**What was the final collapse of the Third Reich?** The end of the Third Reich By the end of 1944 the Western Allies had reached the Rhine, and six months' fighting in the West alone had cost the Germans more than one million men killed, wounded, and captured.

**What was the first Reich?** The former German state, most often used to refer to the Third Reich, the Nazi regime from 1933 to 1945. The First Reich was considered to be the Holy Roman Empire, 962–1806, and the Second Reich the German Empire, 1871–1918, but neither of these terms are part of normal historical terminology.
