Behind the political maneuvers, however, was a man infamous for his European tour, enormous height, and cruel temperament.

What is Peter the Great most remembered for? Peter the Great modernized Russia—which, at the start of his rule, had greatly lagged behind the Western countries—and transformed it into a major power. Peter is regarded as the first leader of the early Church, though he was soon eclipsed in this leadership by James the Just, "the brother of the

Lord".

What did Peter do 3 times? Following the arrest of Jesus, Peter denied knowing him three times, but after the third denial, he heard the rooster crow and recalled the prediction as Jesus turned to look at him. Peter then began to cry bitterly. This final incident is known as the Repentance of Peter.
