Who is the best IIT teacher? Nitin Vijay sir In his 17+ years as a teacher, he has been vital in guiding over 5500 IITians and World-Class Doctors.

Which is tougher, Irodov or Krotov? Krotov is way way more challenging than Irodov. Krotov is basically collection of Russian Physics Olympiad problems, so

obviously level of difficulty is higher. Although Krotov's book is completely solved but requires higher level of understanding, so understanding them is also challenging.

Is cengage better than RD Sharma for JEE Advanced? For JEE Mains and Advanced, I would any day recommend CENGAGE Series by G. Tewani. R.D. Sharma is a great book designed for board-level examinations and doesn't entirely cover JEE Syllabus.

Which is tougher, Pathfinder or Irodov? I am definitely sure that pathfinder consist of more than a half questions which are far beyond the level of jee advanced. And it's obviously much tougher than irodov but I think pathfinder is a very beautiful book to develop your ability to think and imagine.

Which is better, Cengage or Arihant for maths? Cengage is preferable as it has lots of practice problems..... Arihant book has too much of errors in the solutions as well as the questions. Both books are best books on their own available in the market . While in arihant it is totally a a question bank having past year question of JEE ADVANCED and MAINS.
