What is the main prayer in church? Our Father, Who art in heaven, hallowed be Thy name; Thy kingdom come; Thy will be done on earth as it is in heaven. Give us this day our daily bread; and forgive us our trespasses as we forgive those who trespass against us; and lead us not into temptation, but deliver us from evil.

Does the Bible say to pray for your pastor? By faithfully praying for your pastor, then, you are fulfilling the biblical command to “serve one another” (Gal 5:13), because your prayers will be a means to strengthen your pastor which will in turn bless your fellow church members.

Stellaris: The Next Generation for PC

Stellaris, the acclaimed space strategy game from Paradox Interactive, is poised to take a quantum leap forward with its upcoming release on PC. This next-generation iteration promises to elevate the game to new heights, offering players an immersive and unparalleled interstellar experience. Here are some of the burning questions surrounding Stellaris's next-generation transformation:

Q: What major improvements can players expect in the next-generation version?

A: The next-generation Stellaris will boast a significant overhaul in graphics, with enhanced textures, lighting, and visual effects. Players can also anticipate improved AI behavior, enhanced diplomacy options, and a reworked combat system that offers more strategic depth and complexity.

Q: Will the game still be compatible with my current saves?

A: Unfortunately, the next-generation version of Stellaris will not be compatible with existing saves from the previous version. However, Paradox Interactive has stated that tools will be provided to assist players in transferring their galactic empires into the new game.

Q: Are there any new features exclusive to the next-generation version?

A: Yes, the next-generation version of Stellaris will introduce several new features, including an Origin system that allows players to customize their civilization's backstory and starting conditions. Additionally, the new game will incorporate a Nemesis system that adds a layer of tension and rivalry to the diplomatic landscape.

Q: What are the minimum system requirements for the next-generation version?

A: The minimum system requirements for the next-generation version of Stellaris are expected to be higher than those for the current version. The exact requirements have not yet been announced, but players with older PCs should prepare for potential hardware upgrades.

Q: When is the next-generation version of Stellaris expected to release?

A: Paradox Interactive has not yet announced a specific release date for the next-generation version of Stellaris. However, the game is expected to launch sometime in the second half of 2023. As the release date approaches, more information will undoubtedly be shared by the developers.
