What are the three styles of preaching? Articles and even textbooks on homiletics sometimes refer to the different preaching styles as topical, textual, and expository. "If you want to preach expository sermons, that's your style, but it's not my style,"

some pastors say.

Why is it called a homily and not a sermon? 'Homily' comes from the Greek 'Homilia' which means discourse, where the Presbyter or Deacon uses common imagery, meaningful to a particular congregation, to explain the sacred scripture readings of the day, hence 1 Cor 15-33.

What is the difference between preaching and sermon? Sermons address a scriptural, theological, or moral topic, usually expounding on a type of belief, law, or behavior within both past and present contexts.
