## **Tozer on Worship and Entertainment: Questions and Answers**

### **1. What is the primary purpose of worship according to A. W. Tozer?**

Tozer believed that the primary purpose of worship is to glorify God. Worship is not about our personal enjoyment or spiritual fulfillment, but rather about exalting the majesty and worth of the Creator.

### **2. How does entertainment differ from worship?**

According to Tozer, entertainment is focused on satisfying our own desires and providing temporary pleasure. Worship, on the other hand, directs our attention to God and seeks to please Him. Entertainment is often passive and self-centered, while worship is an active and God-centered experience.

### **3. Can worship and entertainment coexist?**

Tozer believed that it is possible for worship to be corrupted by entertainment. When worship becomes more about our own enjoyment than about honoring God, it ceases to be true worship. Entertainment can creep into worship through elements such as excessive theatrics, flashy music, or shallow messages.

### **4. How can we avoid entertainment in worship?**

Tozer urged Christians to focus on the essence of worship: adoration, thanksgiving, confession, and surrender. We should be wary of activities that distract us from these core elements. He also emphasized the importance of discernment and introspection in discerning genuine worship from mere entertainment.

### **5. What is the role of the Holy Spirit in true worship?**

Tozer believed that the Holy Spirit empowers us to truly worship God. The Spirit creates in us a longing for God, guides us in right worship, and fills us with joy and reverence in His presence. When we worship the Spirit's way, we experience a profound connection with God that transforms our lives.
