While she is down, he kicks her. Expecting him to kill her, Juana accepts her fate, but then Kino walks away in disgust.

Does Kino end up selling the pearl? The pearl buyers, however, have misjudged their client: Kino announces that he will go to the capital and sell the pearl. Quickly, the main pearl buyer raises his offer to fifteen hundred pesos, but it is too late; Kino

leaves.

What happens to the pearl at the end of the story? Unfortunately, Coyotito was killed by the first gunshot, and Kino's journey with the pearl ends in tragedy.
