What is American cultural pluralism? From the late 1880s to the mid-1950s, this biologically blended melting pot became 'Americanized' (Fairchild 1926). Through Americanization, the ideology of cultural pluralism or cultural unity advocated including visible racial-cultural groups into 'mainstream' American culture.

What is an example of cultural pluralism? Cultural pluralism occurs when a minority group retains its own culture and still participates in the bigger society. What is pluralist theory in us? Pluralists believe that social heterogeneity prevents any single group from gaining dominance.
