How many adventures are in journeys in Middle-earth? Over the course of it's ten to fourteen adventure campaign, players will have to work together to understand and ultimately confront the evil that threatens the realm. Each individual adventure of Journeys is played over a series of rounds. Each round consists of an Action Phase, a Shadow Phase, and a Rally Phase.

What is adventure mode in journeys in Middle-earth? Adventure mode is easier and allows you to learn the game without dying constantly. You can get free Inspiration at the beginning of each turn. The app suggests it to you. Adventure mode is designed to help you take a look around and enjoy the story more than battle mode.

How many Middle-earth books are there in total? The Complete History of Middle-Earth The History of Middle-earth is a twelve-volume series published between 1983 and 1996. The 5,400-page collection, again edited by Christopher Tolkien, compiles and analyzes The Lord of the Rings, The Silmarillion, and other Middle-earth writings.

Does Middle-earth still exist? Although Middle-Earth is most definitely a fictional place, this does not mean it is completely unrelated to reality.

How many campaigns are in LOTR Journeys in Middle-earth? The app comes with a free campaign, Bones of Arnor, and there are two downloadable campaigns, as well as the one that comes with the Shadowed Paths Expansion(The second downloadable campaign requires the Shadowed Paths Expansion). Ancient kingdoms once spanned the realm of Arnor, kingdoms that now lay in ruin.

How many scenarios are there in Journeys in Middle-earth? Comprising 13 individual scenarios, the campaign sees the party investigate rumours of a creeping shade in the titular region and neighbouring Erebor. The players can't investigate all of the rumours during a single playthrough, with the story branching based on the group's decisions.

Can journeys in Middle-earth be played without the app? Additionally, the rules are quite long and complex. At first, this set my hopes high as well, because I'm a bit of a nerd. But then I read that the companion app is a requirement. And unfortunately it really is required to be able to play the game.

How to win journeys in Middle-earth? If you play your cards right and keep at least some inspiration put aside, there is not too much to fear from a last stand or two. Save the inspiration (or even don't draw to negate if you know your deck is stacked in your favour), take the hit, and kill it with your next action.
