Thus, contemporary Thelemites may practice more than one religion, including Wicca, Gnosticism, Satanism, Setianism and Luciferianism.

What is Crowley's original name? In Good Omens (both the 2019 show and the 1990 novel), Crowley was originally named Crawly. After tempting Adam and Eve in

the Garden of Eden and being sent out to cause chaos, Crowley changes his name to Anthony J. Crowley. He uses multiple pseudonyms throughout the novel, but retains his chosen name of Anthony J.

Why did Crowley fall? He began questioning God's decision to end the universe after only 6,000 years, feeling like it was a waste of his efforts. It was this line of questioning that would lead to his eventual Fall.

What is Crowley's real name in Supernatural? The same episode establishes Crowley's backstory: he had been a 17th-century Scotsman named Fergus Roderick MacLeod whose own son, Gavin, hated him as much as he himself hated Gavin.
