

How to be both ali smith

Download Complete File

How to be both Ali Smith gender? Born a girl, Smith's Del Cossa was raised in disguise by a father who realised that it was only as a "man" that his daughter would be able to fulfil her talent.

How to be both plot summary? George. Struggling to come to terms with the sudden death of her mother (Dr Carol Martineau Economist Journalist Internet Guerilla Interventionist – according to her obituary), George attends counselling sessions at her school. She also has to look after her younger brother, Henry, and cope with her alcoholic father.

How to read How to be both? This novel can be read in two ways and this book provides you with both. In half of all printed editions of the novel the narrative EYES comes before CAMERA. In the other half of printed editions the narrative CAMERA precedes EYES. The narratives are exactly the same in both versions, just in a different order.

How to be both title meaning? So the novel is playing with the idea of being 'both' in terms of both past and present, both male and female, of meaning being layered and uncovered like the discovery of frescoes.

How to be both LGBT? How to be both is a novel all about art's versatility. Borrowing from painting's fresco technique to make an original literary double-take, it's a fast-moving genre-bending conversation between forms, times, truths and fictions. There's a renaissance artist of the 1460s. There's the child of a child of the 1960s.

Is Ali Cross A Boy or a girl? ALI CROSS is the youngest son of Alex Cross, the African American detective hero of James Patterson's best-selling adult mystery

series, set in Washington, D.C. Ali's determined to follow in his father's footsteps.

How to be both themes? The two parts of “How to Be Both” have overlapping themes: the subversive power of art; what Martineau refers to as “sexual and gender ambiguities”; the hold of the dead on the living; and, of course, the figure of Francescho him/herself.

What is the main plot summary? It names and identifies important characters and describes the major events of the story. It does not explain the events or interprets them in any way; the plot summary merely describes what happens.

How do you start a part 2 story?

What order to read Ali Smith books?

Why do we read twice? The first reading comes through the eyes (and sometimes the ears). The second reading comes from the mind — the memory, to be precise. The first reading is linear, a concern for what-happens-next based upon a sequence of scenes.

How to be both an artist? In Ali Smith's dizzyingly ambitious new novel, *How To Be Both*, a 15th-century painter, Francescho del Cossa, is yanked through time and space to invisibly observe a grieving 16-year-old in contemporary England, a creative and pedantic soul named George who seems to be quietly imploding from loss.

Can you read Ali Smith out of order? Smith's seasonal quartet need not be read in order, but it's increasingly clear that she is crescendoing — that to experience the books backward would be to read them against the way the world spins, against the way we, and she, are hurtling toward something horrific.

Do I need to read seasonal quartets in order? While each book in the series works as a complete novel in itself, there are subtle clues in *Winter* and *Spring* regarding the main characters of the first book, *Autumn*, and it is hinted at the end of this third book that the last book, *Summer* will lead directly back to *Autumn*.

How to be both structure? The overall narrative consists of two interconnected stories: in one, we encounter a sixteen-year-old girl named George whose mother

has recently died; in the other, we meet Francescho, a figure based on a real-life 15th-century Italian renaissance artist, Francesco del Cossa.
