At the end of the novel, the Englishman Fielding and the Indian Dr. Aziz ride together through the Indian landscape, and, as they embrace, Fielding asks whether it is possible, despite the colonial relationship between England and India, for the two men to be friends: "Why can't we be friends now? It's what I want."

Why is it called A Passage to India? The novel is based on Forster's experiences in India, deriving the title from Walt Whitman's 1870 poem "Passage to India" in Leaves of Grass. The story revolves around four characters: Dr. Aziz, his British friend Mr.

Was Dr. Aziz innocent? We never know if Aziz really wanted to do something but judging his comments which he did to Mr. Fielding, he wasn't physically attracted to Adela as her breasts were tiny and he doesn't like tiny breasts and so thin of a body, we can assume that he really was innocent.

What happened to Adela in the cave? When Adela enters a cave, her claustrophobia, as well as what some critics have assumed is a sexual desire for Aziz, and the consequent guilt over her lack of feeling for Ronny, combine to overwhelm her. She flees the caves down a steep incline and is pierced and lacerated by strongly thorned plants along the way.

What are the three main parts of the novel A Passage to India? Passage to India is divided into three parts: Mosque, Cave, and Temple. Each part corresponds to an emotional and plot emphasis. In the first part, readers are introduced to the range of Moslem and British characters that are the primary focus of the novel.
