**When did the Vietnam War end?** Having rebuilt their forces and upgraded their logistics system, North Vietnamese forces triggered a major offensive in the Central Highlands in March 1975. **Which president ended the draft?** In the realm of policy, I regard eliminating the draft as my most important accomplishment. **When did the United States join the Vietnam War?** On March 8, 1965, 3,500 United States Marines came ashore at Da Nang as the first wave of U.S. combat troops into South Vietnam, adding to the 25,000 U.S. military advisers already in place.
