

Alarm controller v1 0 installation guide dsc

Download Complete File

What is the installer code for DSC alarm? For reference, the default Installer Code for the DSC Impassa is 5555, while the default Master Code is 1234. Alarm Grid does not recommend changing your Impassa System's Installer Code from its default of 5555. This is so that you do not become locked out of programming.

How do I set the alarm on my DSC alarm?

How do I add a code to my DSC alarm?

How do I set my DSC alarm to away?

What is installer code? The Installer Code on a panel is used for entering installer programming mode. In this mode, various changes to the function of the system can be made. Meanwhile, the Master Code is used primarily for arming and disarming.

How to change DSC installer code?

What is the programming code for DSC? The default installer code for a DSC is 5555. The installer code is the code that is used to get into the DSC programming mode so you can set the system up and make changes to panel programming. Having the installer code is the most important part of setting up the system.

How do I set my alarm settings?

How to find DSC master code?

How do I find my DSC alarm trouble code? Press the [#] key to silence the beeps. Press [*][2] to view the trouble condition. The Trouble or System indicator will flash. The corresponding trouble will be represented by numbers 1-8 or, on LCD displays,

by a text message.

What is the default password for the DSC alarm system? Log in to the DSC DLS 5 software (the default username and password is admin / 1234).

What is the default code for an alarm system? Whenever a security alarm system is installed, it is set to a default code. The default codes are easy like 0000 or 1234 and many people forget to change it. Changing default codes is very important since many thieves are well aware of the common default codes. The default codes may leave you at high risk.

What is the maintenance code for DSC? The default Maintenance code is [AAAA] or [AAAAAA] if 6-digit access codes are programmed.
