Where can I find test banks for free? The Respondus Test Bank Network® contains thousands of test banks for the leading textbooks in higher education. Instructors who use Respondus 4.0 can easily create online exams from these official publisher test banks. Best of all, the Test Bank Network is free for instructors who adopt a participating textbook.

Are test banks academic dishonesty? Examinations or test questions published without an instructor's permission indicate they did not freely offer their course materials or original exam material. Since their assessments and intellectual property are available online without authorization, many instructors oppose use of online test banks.

Do universities use test banks? The UCLA Community Programs Office manages a test bank available to all students, whereas prestigious university-run organizations, such as the UCLA Alumni Scholars Club and UCLA Regents Scholars Society, offer test banks exclusively for their members.
