Club Car Golf Cart FAQs\*\*

### **What Engine is in a 2011 Club Car Precedent?**

- The 2011 Club Car Precedent is equipped with a 13.5 horsepower Kohler ECV725 engine.

### **What's the Difference Between a Club Car and a Club Car Precedent?**

- Club Car is the brand name, while Precedent is a specific model released in 2004. Club Car manufactures various golf cart models, including Precedent, Onward, and Tempo.

### **How do I Tell What Model My Club Car is?**

- Locate the serial number on the frame or under the driver's or passenger's seat. The first two digits of the serial number indicate the model year. For example, a serial number starting with "11" indicates a 2011 model.

### **What Oil to Use in a Club Car Golf Cart?**

- For gas-powered Club Car golf carts, use 10W-30 motor oil that meets the API SJ or SL specification. For electric golf carts, there is no oil to change.

### **How do I Know if my Club Car is a DS or President?**

- "DS" stands for "Deluxe Series" and typically refers to older Club Car models from the 1990s and early 2000s. "President" is a newer model released in 1998. DS models have a rounded front end and headlights at the

bottom of the grill, while President models have a more angular front end and headlights mounted higher up.

### **What year did they make Club Car precedent?**

- The Club Car Precedent was first introduced in 2004.

### **How do I know if my Club Car is 36 or 48 volt?**

- Look at the battery pack. If there are six batteries, it's a 36-volt system. If there are eight batteries, it's a 48-volt system.

### **What does AG stand for on a Club Car golf cart?**

- "AG" stands for "All Gas." This designation indicates a golf cart with a gasoline-powered engine.

### **What are the Different Types of club cars?**

- Club Car manufactures various golf cart models, including:
  - Precedent
  - Onward
  - Tempo
  - Carryall
  - Transporter

### **How often should you change the oil in a Club Car?**

- For gas-powered Club Car golf carts, change the oil every 100 hours of operation or once a year, whichever comes first.

### **Is there an oil filter on a Club Car golf cart?**

- Most gas-powered Club Car golf carts have oil filters. The location of the oil filter varies depending on the model year and engine type.

### **Do you change the oil in an electric golf cart?**

---

- No, you do not change the oil in an electric golf cart. Electric golf carts do not have an engine that requires lubrication.

### **What size engine is in a 2013 Club Car Precedent?**

- The 2013 Club Car Precedent is equipped with a 13.5 horsepower Kohler ECV725 engine.

### **What engine is in my golf?**

- The specific engine in your golf cart depends on the make, model, and year of manufacture. Refer to the owner's manual or contact the manufacturer to determine the engine type.

### **Are Club Car Precedent and Tempo the same?**

- No, Club Car Precedent and Tempo are different models of golf carts. The Precedent is a full-size golf cart introduced in 2004, while the Tempo is a smaller, more compact model released in 2019.
