ISCSE Syllabus for Class XI and XII: A Comprehensive Overview

The Council for the Indian School Certificate Examinations (CISCE) has released the syllabus for classes XI and XII for the academic year 2023-24. The syllabus covers a wide range of subjects, including English, Hindi, Mathematics, Science, and Social Sciences.

Core Subjects:

English and Hindi are compulsory subjects for both classes XI and XII. English includes sections on language skills, literature, and grammar, while Hindi focuses on comprehension, writing, and conversation. Mathematics is another core subject, comprising topics such as algebra, trigonometry, and calculus.

Science and Social Sciences:

Students can opt for two science subjects from Physics, Chemistry, Biology, and Computer Science. Each subject covers fundamental concepts, experiments, and applications. In Social Sciences, students can choose from History, Geography, Political Science, and Economics. These subjects explore historical events, geographical features, political systems, and economic principles.

Elective Subjects:

Class XI: Students can choose one elective subject from the following options:

- Business Studies
- Environmental Studies

- Physical Education
- Sanskrit

Class XII: Students can select two elective subjects from a wider range of options, including:

- Applied Mathematics
- Biology (for students who did not opt for Biology in Class XI)
- Computer Science (for students who did not opt for Computer Science in Class XI)
- Economics
- Environmental Science
- Physical Education
- Sanskrit
- Sociology

Key Changes in the Syllabus:

- **Reduced syllabus:** The syllabus for both classes has been reduced by approximately 30% to alleviate the burden on students.
- **Skill-based learning:** The revised syllabus emphasizes skill-based learning and application of concepts rather than rote memorization.
- **Interdisciplinary approach:** Some elective subjects, such as Environmental Science and Sociology, adopt an interdisciplinary approach, connecting concepts across multiple disciplines.

By understanding the key aspects of the ISCSE syllabus for classes XI and XII, students can plan their studies effectively and achieve academic success.

What grade level reads The Odyssey? Grade Level: 5th (GLCs: Click here for grade level guidelines.) Synopsis: Odysseus faces storm and shipwreck, a terrifying man-eating Cyclops, the alluring but deadly Sirens, and the fury of the sea-god Poseidon as he makes his ten-year journey home from the Trojan War.

What is the easiest translation of The Odyssey to read? Wilson's translation is great for anyone who is interested in reading The Odyssey, whether a first-timer or a veteran. George Chapman's translation, one of the most advanced, is written in Elizabethan English.

Is The Odyssey a hard book to read? To summarize the case against “The Odyssey:” students need a certain level of maturity and sophistication to interpret a text independently to form their own opinions, which is difficult at times while reading “The Odyssey” due to its complex language and topics.

What to read before reading The Odyssey? Juan Francisco Although they're not exactly sequential, I'd recommend you to read The Iliad first, then The Odyssey.

What grade is The Odyssey taught? it is one of the most widely taught texts in the ninth grade across the district. The text, however, because of its length and poetic form, can be daunting to teachers and students alike.

Is The Odyssey OK for kids? Parents Need to Know Because the book recounts not only Odysseus' tumultuous journey home and his son Telemakhos' coming of age but also tales of Odysseus' bravery in the Trojan War, it includes a good deal of violence. There's also some implied sexual activity (though nothing graphic).

Which is easier to read Iliad or Odyssey? Both The Iliad and The Odyssey present their challenges; one is not notably more challenging to read than the other. Because The Iliad takes place chronologically before The Odyssey, it may provide helpful context if read first.

Is it OK to read The Odyssey first? Sequencing “The Odyssey” after “The Iliad” allows readers to discern the intricate threads connecting these epics, enriching the reading experience. Odysseus, with his resourcefulness and adaptability, emerges

as a different archetype of hero, complementing the gallantry depicted in “The Iliad.”

What is the first line of The Odyssey? [1] Tell me, O Muse, of the man of many devices, who wandered full many ways after he had sacked the sacred citadel of Troy. Many were the men whose cities he saw and whose mind he learned, aye, and many the woes he suffered in his heart upon the sea, seeking to win his own life and the return of his comrades.

What is the point of reading The Odyssey? The Odyssey is the hero's story of travel, adventure and coming home – a myth of myths. Two central questions are: what does it mean to have a home? If you're not at home, who are you? The Odyssey still offers a potent way of thinking about the world today.

How long is book 1 Odyssey? The Odyssey contains 12,110 such verses. If there are ca. 30 verses per page, as is the case with the Oxford Classical Texts, then the entire book is roughly 400 pages long.

Do I need to read The Odyssey to read Ulysses? In a letter to Joyce's aunt Josephine in 1921, he advised: “If you want to read Ulysses you had better first get or borrow from a library a translation in prose of the Odyssey of Homer” (Letters I 174). Most people read (or at least were assigned to read) The Odyssey in high school.

Can you just read The Odyssey? Sure, you could. The Iliad is basically about Hector and Achilles; I don't remember for sure if Odysseus is even in it, but if he is, he plays no important part.

What came first, Iliad or Odyssey? The events in the Iliad took place before the events in the Odyssey. Odysseus appears as a character in the Iliad. The Odyssey is a story that details Odysseus' attempt to return to his home in Ithaca. The Odyssey is, therefore, believed to be a sequel to the Iliad.

What does Iliad mean? The title of Homer's epic is actually from the phrase Ilias poiesis, meaning "poem of Ilion. " Ilion is the ancient name for the city of Troy. So literally, The Iliad means "poem of Troy. " The Greek epic is exactly that: a long poetic account of the Greek siege of the city of Troy.

Why is The Odyssey so hard to read? mainly because Odysseus's story is told, throughout the rest of the story, either to Telemachus or by Odysseus himself; a full half of the poem is dialogue, much of which is people telling Odysseus's story.

What reading level is Odyssey? Book overview. Here is the "The Odyssey " broken into high interest - low level reading passages. Reading levels range from grades 2 to 3.6 - Lexile Levels 210L-600L. This is an engaging story that older lower readers may never experience – but should.
