**Where can I listen to Great Gatsby?** The Great Gatsby - Album by F. Scott Fitzgerald | Spotify.

**Is Jake Gyllenhaal in Great Gatsby?** And keep imagining it, because that's the only way you'll see Gyllenhaal as Jay Gatsby. But you can hear him narrate The Great Gatsby, though of course, that means he'll be voicing the narrator (Nick Carraway) and not the character that Leonardo DiCaprio is embodying in the upcoming Baz Luhrmann adaptation.

**Who narrates The Great Gatsby audiobook?** Narrator Anthony Heald Scott Fitzgerald's work and how he strikes a balance between emotional connection and performance.

**What grade reads The Great Gatsby?** This book's Lexile measure is 1070L and is frequently taught in the 12th grade. Students in these grades should be reading texts that have reading demand of 1185L through 1385L to be college and career ready by the end of Grade 12. To find additional guides, please visit [Lexile.com/lexile?by?chapter](http://Lexile.com/lexile?by?chapter).

**Is The Great Gatsby appropriate for a 13 year old?** The Great Gatsby is a highly dramatic movie, directed by Baz Luhrmann in his usual flamboyant style. The story is based on a classic American novel by F. Scott Fitzgerald and is best suited to viewers over 15 years because of intense adult themes and violence.

**Is Great Gatsby Rated R?** The Great Gatsby [2013] [PG-13] - 5.6. 3 | Parents' Guide & Review | Kids-In-Mind.com. SEX/NUDITY 5 - A man sits in an apartment and hears rhythmic thumping and moaning from an adjoining room where a married man and a woman are having sex; a dog in the room with the man listens and whimpers.

**Did Nick actually like Gatsby?** In that novel, Nick loves Gatsby, the erstwhile James Gatz of North Dakota, for his capacity to dream Jay Gatsby into being and for his willingness to risk it all for the love of a beautiful woman. In a queer reading of Gatsby, Nick doesn't just love Gatsby, he's in love with him.

**Is Nick an alcoholic Great Gatsby movie?** As for that morbid alcoholism, Nick claims in the novel that he's "been drunk just twice in my life," but the movie slyly implies that he's in denial, by showing him cross out "once" for "twice," and then, in the frame story, suggesting that it was far more than that, really.

**Does Nick love Jay Gatsby?** This is at the very end of the novel. Of the late Gatsby, Tom says, "That fellow had it coming to him. He threw dust in your eyes just like he did in Daisy's...." And that's why it matters that Nick is gay and in love with Gatsby: because Tom's assessment is spot-on, but Nick will never admit it.

**Why does Tom break Myrtle's nose?** Tom broke Myrtle's nose because Myrtle kept repeating his wife's, Daisy, name. Judging by his treatment of Myrtle and his wife, his attitude seems to be that he views women as beneath him and he treats them with disrespect. He feels empowered that women are with him for his money.

**Where is Jay Gatsby's house located?** Gatsby's house is located in the area known as West Egg, the "new money" area known to the "old money" people to be "less fashionable." West Egg is located across the water from East Egg, where the established and wealthy, like Tom and Daisy Buchanan, live.

**How does Nick know Daisy and Tom?** In The Great Gatsby, Nick Carraway and Daisy Buchanan are related; they are second cousins once removed. Moreover, Nick had met Tom, Daisy's husband, in college. He mentions this connection at the very beginning of the first chapter, when he describes his meeting with them at their mansion in East Egg.

**Is Gatsby OK for kids?** Parents need to know that director Baz Luhrmann's (Moulin Rouge) take on The Great Gatsby is a decadent, dizzying version of F. Scott Fitzgerald's classic American novel. The movie is true to the book, featuring scenes with lots of drinking -- often to excess -- and smoking.

**What age is Gatsby?** Jay Gatsby is the main character in the novel: he is around 35 years old. In the novel, Jay met Daisy in 1917 when he was 27 and she was 18. The present setting of the novel is in 1925 so that would make Jay Gatsby around 35 now.

**Is The Great Gatsby clean?** The Great Gatsby's plot revolves around coveting, lust, adultery and debauchery. While it may not be graphic or explicit, it is still trashy.

**Is The Great Gatsby free on Spotify?** It's worth noting that some books on Spotify fall under the public domain, meaning they are no longer restricted by copyright and can be freely accessed by anyone. This allows users to explore classic literature like The Great Gatsby and Mary Shelley's Frankenstein and discover hidden gems without any additional costs.

**Is The Great Gatsby on Netflix?** Yes, The Great Gatsby (2013) is available to watch via streaming on Netflix. The film follows Jay Gatsby, a mysterious millionaire who yearns to recapture the past and reunite with his lost love, Daisy Buchanan.

**What platforms is The Great Gatsby on?** You can buy "The Great Gatsby" on Apple TV, Amazon Video, Microsoft Store as download or rent it on Amazon Video, Apple TV, Microsoft Store, Spectrum On Demand online.

**Is Great Gatsby on HBO Max?** Nolan's latest film is one of many movies leaving HBO Max in July, the full list of which you can read below. Also leaving HBO and HBO Max this month is another Nolan classic, "Inception," Baz Luhrmann's "The Great Gatsby," as well as two rom-com favorites "Bridget Jones's Diary" and "You've Got Mail."
