The Message and Irony of "An Abandoned Bundle"\*\*\*

### **Imagery and Message**

The poem "An Abandoned Bundle" by S.E.K. Mqhayi depicts a heart-wrenching scene of a discarded bundle, symbolizing the plight of abandoned orphans in townships. The poem's message is a call to action, urging society to address the plight of abandoned children.

### **Abandonment and Social Commentary**

The poem's title, "An Abandoned Bundle," emphasizes the theme of abandonment. It serves as a powerful metaphor for the broader social issue of orphans and abandoned children. By highlighting their plight, the poem calls for a shift in societal attitudes and policies towards these vulnerable individuals.

### **Message of the Poem**

The overall message of the poem is that abandoned children should not be hidden away but rather embraced and given the opportunity to thrive. The poem's message is a reminder that even in the face of adversity, hope and compassion can prevail.
