

LEAKED BATMAN V SUPERMAN DAWN OF JUSTICE SCRIPT

[Download Complete File](#)

What does the flash say to Bruce in Batman v Superman? In Batman v Superman, this “dream” takes place just as Bruce Wayne gets a visit from Ezra Miller's Flash, who is using his hyper-speed abilities to deliver a warning from this future: “Bruce, listen to me now! It's Lois! Lois Lane,” he says.

Why does Superman hate Batman in Dawn of Justice? Batman feared Superman's unchecked power, and Superman (Henry Cavill) hated Batman's brutal methods, but the real reason why Batman and Superman fight is manipulation by Lex Luthor (Jesse Eisenberg).

What did Batman say to Superman in Batman vs. Superman? Batman: It's time you learned what it means to be a man. Superman: Stay down!

How did Batman beat Superman in Dawn of Justice? Superman saves Lois and confronts Luthor, who reveals that the distrust between Batman and Superman was manipulated. Luthor demands that he kill Batman in exchange for Martha's life. Superman tries to explain this to Batman, who instead attacks and eventually subdues him using a kryptonite gas.

Was Lois Lane pregnant in Justice League?

Who was the guy in Bruce Wayne's dream? One of the most controversial moments from Batman v Superman: Dawn of Justice was the dream sequence (dubbed “Knightmare”) in which Bruce Wayne receives a premonition of an apocalyptic future that's ruled by a despotic Superman. In it, evil Superman tells Batman: “She was my world, and you took her from me.”

Why does Darkseid respect Batman but not Superman? Darkseid is consistently impressed by Batman while Darkseid initially thought the Dark Knight was bluffing, he quickly realized that Batman was perfectly willing to let Apokolips, and everyone on it, explode unless Darkseid agreed to release Kara, calling Bruce's ruthlessness "an admirable quality."

Can Superman beat Batman? In the canon comic Luthor: Man of Steel, Batman with Kryptonite, with prep time, was defeated easily by Superman which is the most believable and grounded portrayal of a fight between the two. Superman could easily break all of Batman's limbs or lobotomize Bruce from Orbit.

What did Batman use to weaken Superman in Dawn of Justice? The kryptonite is then stolen from Luthor by Batman (Ben Affleck), who uses it to create kryptonite gas pellets and a kryptonite-tipped spear, both of which he later uses in battle with Superman (Henry Cavill).

Why does Superman ask Batman do you bleed? The question was proposed more so as a literary point. Superman was built to be this unbeatable power with no guidelines and Batman was going to be the one to provide control over him and show that he can "bleed".

What does Batman call Superman? Because they are seen together in public, Batman calls Superman Clark so that he doesn't inadvertently slip and call him Kal-El. It's a matter of practical habit.

How old is Bruce Wayne in Batman v Superman? Batman v Superman producer Michael Uslan confirms that Bruce is in his mid-forties by the events of the film, with Zack Snyder confirming on *Vero* back in 2017 that Bruce became Batman when he turned 25 in 1995. Working backwards, we can see that this makes his birth date sometime in 1970.

Did Superman survive Dawn of Justice? When Superman died at the end of 2016's *Batman v Superman: Dawn of Justice*, it's an event that redefines the world in which the movies take place — meaning that, by the time he returns in *Justice League*, it's an even bigger moment.

Who wins, Batman or Ironman? It is a difficult question to answer, as both superheroes are incredibly powerful and resourceful. However, if the fight were to take place in a close-quarters environment, Batman would likely have the advantage. If the fight were to take place in a long-range environment, Iron Man would likely have the advantage.

Why did the dirt rise on Superman's coffin? This is where he shared his intention for the final shot of the movie. Although most took the dirt lifting in a literal sense that teased the future, Snyder explained that it is a symbolic ending instead: "It's always been symbolic of hope and lessons learned."

Did Superman have a kid with Lois? Jon Lane Kent is the son of Superman and Lois Lane, born in an alternate New 52 future. Another version of Superboy and the genetic template for the New 52 version of the clone Superboy, Kon-El, Jon becomes both a deadly supervillain and briefly, just before his death, a superhero.

How does Lois get pregnant? In the episode, Lois is approached by an old friend from college who asks her to become a surrogate mother. After arguing with her husband Peter who is against the idea, Lois agrees and undergoes in vitro fertilization. However, while Lois is pregnant, the biological parents are killed in an automobile accident.

How did Batman know Lois was pregnant? Later, with Superman flying in the air while Batman crouches on a rooftop, Clark tries to tell Bruce his good news but Batman easily figures it out and interrupts him: "Lois is pregnant." Superman is shocked and Batman explains he figured it out by monitoring his physical reactions, and says the last time he was like ...

Who killed Darkseid? As prophesied, Orion returns to Earth via boom tube for his final battle with Darkseid. During the massive fight, Orion ultimately kills him by ripping his heart out, which created a firepit of Apokolips from Darkseid's chest cavity (in reference to the prophecy of their final battle).

Who is Lex Luthor talking about at the end of Dawn of Justice? And those flying dudes that attack Batman? Those are the minions Darkseid uses to carry out his evil deeds. And at the end of the film, when Lex Luthor says, "He's coming. The bell has

been rung.” He's almost certainly referring to Darkseid.

Is Justice League 2 coming? Despite recent references to the Justice League in other DC releases, there is no official sequel in development. Charles Roven, a DC producer, expressed hope for a new movie but acknowledged it would take several years.

What did the letter Flash gave Batman say? There's only one thing I know about life. I know some things happen by chance, And some things happen because we make them happen. Barry Allen was a man haunted by his past. But when he became the Flash, he left the ghosts behind.

Why Flash comes in Batman vs Superman? Why did the Flash have to come back from the future in Batman v Superman: Dawn of Justice? To warn Batman to keep Lois Lane alive at all costs. Of course, instead of just blurting out Never let Lois Lane die, he's all cryptic with his Lois is the key.

Why does The Flash say Lois is the key? In the Nightmare world, Superman had been corrupted into a villain, and Flash let Bruce Wayne know that Lois Lane was the key to preventing that result.

What was Batman's contingency for Flash? One plan Batman has created is with nanites which, if injected near the neck or the base of the spine, would cause the Flash to become completely disoriented and suffer a seizure while at super speed, quickly putting him off balance and misdirecting him, causing him to crash into the nearest wall or hard surface at the ...

What are time expressions in reported speech?

How should change in time expression be noted in reported speech? Time and place must often change when going from direct to reported speech. "I saw him today", she said. She said that she had seen him that day.
