Is Confederacy of Dunces a good book? A Confederacy Of Dunces is certainly a worthwhile read, written by a very talented man who is hopefully now at peace. Recommended with the aforesaid caveats.

What is the message of the Confederacy of Dunces? In A Confederacy of Dunces, Toole uses the experience of Burma Jones, a marginalized black man, to demonstrate the way in which the American South's historical legacy of slavery and racial prejudice affected the lives of black people living in the South during the 1960s, when the novel is set.

What was JFK's favorite food? Kennedy (1961-1963) Boston-native JFK loved creamy New England fish chowder according to René Verdon, the chef at the White House during his presidency. The President was also fond of ice cream with hot fudge.

What was Kennedy's famous quote? Kennedy's inaugural address inspired children and adults to see the importance of civic action and public service. His historic words, "Ask not what your country can do for you – ask what you can do for your country," challenged every American to contribute in some way to the public good.

Who is Kennedy's best friend? His name was Lem Billings. This week, we'll look into the man who is often referred to as JFK's best friend. We'll go into the Library's archives to look at how the two found each other and became so close on this week's episode of JFK 35.
