**Is there going to be an Amulet book 8?** Emily has now lost control of her Amulet and is trapped in the void and must find a way to escape while avoiding being deterred by the voice associated with the Amulet. Meanwhile, her family and friends focus on Alledia's survival.

**Is there a book 10 of Amulet?** "It's the final book in the 'Amulet' series, as it is. There's not going to be an 'Amulet 10,' per se. But I won't rule out another series of 'Amulet' books with a different generation of characters.

**Why is Amulet book 9 taking so long?** It took Kazu five years to produce the last book. He took some time off to write another book, then he came back to the Waverider. These books took so long because Kazu writes and draws for each book. The art and the storyline for these books are amazing.

**How old is Emily in Amulet book 9?** When Emily first ended up in Alledia, she was around 12 years old and now she's about 14-15. So I guess that each character ages about six months in each book, so by the final book, Emily Hayes would be 16.

**Is Miskit a boy or girl?**

**What day is Amulet 9 coming out?** This is the Last book. Waverider is the final installment to the Amulet graphic novel series by Kazu Kibuishi. The story centered on Emily and Navin Hayes as they reach a conclusion in the futile war disrupting Alledia. It was released on February 6th, 2024.

**Will Amulet become a movie?** 20th Century Fox has hired Aron Coleite to bring “Amulet” to the big screen, Deadline reports. A series of graphic novels by Kazu Kibuishi, “Amulet” follows a girl named Emily who moves in with her great-grandfather and discovers a magical necklace that allows her to enter the fictional world of Alledia.

**Did the Amulet series end?** Amulet: Waverider is the 9th and final book in the Amulet series.

**Is Amulet getting a TV show?** Amulet is an upcoming animated Netflix Original Series, created and directed by Kazu Kibuishi, which is based on his graphic novel series of the same name and produced by Mercury Filmworks.

**What happened to Luger in Amulet?** Luger turns into a colossal beast and he rips both arms off their robot house. Emily gains control of the robot house using the amulet and defeats Luger controlling the house and faints because she used too much power. She woke up days later and recovered and her mother has healed as well. The End.

**Who is Kazu?** Kazu is the creator of the #1 New York Times bestselling Amulet series. He is also the founder and editor of the acclaimed Flight anthologies as well as the creator of Copper, a collection of his popular webcomic.

**Is Amulet book 9 published?**

**Is Ikol evil in Amulet?** Ikol , which stands for the Intelligent Kinematic Operations Laboratory, is the overarching main antagonist in the Amulet graphic-novel series created by Kazu Kibuishi. It is a single, enigmatic being that serves as an embodiment of the amulet, mainly as a communicator between the stone and its keeper.

**What age is Amulet book 1 for?**
