## [Download Complete File](#)

**What are they chanting in The Secret Garden?** Answer and Explanation: In The Secret Garden, Colin Craven chants an invented invocation to the Magic that he believe resides in the garden. He believes that this Magic lives in people and that by believing, anyone can heal themselves from their illness. He chants for a long time to Ben Weatherstaff, Mary, and Dickon.

**Who are the singers in The Secret Garden song?** "The Secret Garden (Sweet Seduction Suite)" is a song by Quincy Jones, featuring Afro-American R&B singers Al B. Sure!, James Ingram, El DeBarge, and Barry White.

**What vocal range is Lily Secret Garden?** LILY - Female, 28-38 (Range: Soprano, Bb3-D6) Mary's aunt and Archibald Craven's wife.

**What type of narrator tells The Secret Garden?** Yes, The Secret Garden is told through by a third-person omniscient narrator, though the omniscience is somewhat limited to Mary's point of view. Frances Hodgson Burnett selected this mode of narration for multiple reasons.

**What was the crying sound in The Secret Garden?** At first, Mary Lennox does not know what the crying sound is. The maid Martha tells her that it is just the wind whistling over the moors. Mary is determined to solve the mystery of the crying, and she finally discovers Colin. He cries because he is bored, frustrated, and sickly.

**What language do they speak in The Secret Garden?** Like several other writers of her period, Burnett presents a good deal of the dialogue in The Secret Garden as "Yorkshire English"—or just "Yorkshire," as her characters refer to it. The narrator

and the characters born into privilege all speak in "standard" and uninflected English.

**What does Dickon sing in Secret Garden?** Dickon sings the melodic “Wick” (the Yorkshire word for “alive”) and encourages her to take a closer look. Together, they resolve to bring the garden back to life. Not long after that, Mary tells Colin she has found his mother's garden, and wants him to see it.

**Does Mrs Medlock sing in Secret Garden?** Mrs. Medlock - a Victorian housekeeper - 84 lines/sings solo in ensemble I do wish Dr. Craven had spoken to me.

**Is the Secret Garden a legit musical?** The Secret Garden is a musical based on the 1911 novel of the same name by Frances Hodgson Burnett. The musical's script and lyrics are by Marsha Norman, with music by Lucy Simon. It premiered on Broadway in 1991 and ran for 709 performances.

**Is Lily the best vocalist?** Lily from NMIXX is the best vocalist Kpop has ever seen, not just 4th gen. Including solo artists.

**How old is Martha in Secret garden?** MARTHA - Female, 18-30 (Range: Mezzo-Soprano Belt, G3-D5) A young and spunky housemaid. Grew up near Yorkshire and has the accent to prove it. Although she is from a lower-class family, her wisdom is often far beyond her age.

**How old was Mary Lennox in The Secret garden?** The novel centres on Mary Lennox, who is living in India with her wealthy British family. She is a selfish and disagreeable 10-year-old girl who has been spoiled by her servants and neglected by her unloving parents.

**What illness does Colin have in The Secret Garden?** She soon discovers that they are cousins—Colin being the son of Archibald Craven—and that he suffers from fevers and an unspecified spinal condition which precludes him from walking and causes him to be confined to bed.

**Why did Mary not miss her mother after her death?** Because Mary is self-absorbed and because Mary's mother never showed her love or affection, Mary doesn't miss her parents much. She simply assumes that people will take care of her and let her have her way, just as her Ayah did.

**What is The Secret Garden a metaphor for?** Burnett uses symbolism throughout the novel to represent abstract ideas, such as the secret garden, which represents the transformative power of nature, and the robin, which represents hope and renewal.

**What sickness is in The Secret Garden?** In The Secret Garden, the cholera is the disease that kills Mary's parents and her Ayah. Although Mary's mother was told to leave her home to get away from the outbreak, she stayed so that she could go to a "silly dinner party". This leads to everyone dying within three days and Mary being left alone.

**What is the moral of The Secret Garden?** The Secret Garden emphasises the power of positive thinking: "thoughts – just mere thoughts – are as powerful as electric batteries – as good for one as sunlight is, or as bad for one as poison". This focus on the power of positive thoughts highlights Burnett's interest in New Thought and Christian Science.

**What are the kids chanting in The Secret Garden?** So I referred to the book and found no such scene. What I did find was the scene of the children in the garden singing a doxology--you know, a hymn of praise to God: "Praise God from whom all blessings flow, praise Him all creatures here below, praise Him above ye Heavenly Host, praise Father, Son and Holy Ghost."

**Why are the children forbidden to enter the garden The Secret Garden?** In the novel The Secret Garden, the children are forbidden from entering the garden because it was closed and locked up by their uncle after his wife died in an accident there. He was so devastated that he couldn't bear to go back to the garden or let anyone else in.

**Is The Secret Garden based on a true story?** No, The Secret Garden is not based on a true story. However, there are some parallels between The Secret Garden and the author's life. For example, Burnett would often leave her son behind while she went and traveled the world. This is similar to how Archibald Craven left his son Colin in The Secret Garden.

**What does the garden symbolize in *The Secret Garden*?** Especially once Colin begins spending time in the garden, it begins to more broadly represent mothering, nurturing, and growth. In the garden, Mary and Colin learn to be happy, thoughtful, and caring people—all things that the novel suggests they would've learned from their mothers, had their mothers been present.

**What is *The Secret Garden* saying?** The secret garden is \*always\* open now. Open, and awake, and alive. If you look the right way, you can see that the \*whole\* world is a garden.

**What does Dickon sing in secret garden?** Dickon sings the melodic “Wick” (the Yorkshire word for “alive”) and encourages her to take a closer look. Together, they resolve to bring the garden back to life. Not long after that, Mary tells Colin she has found his mother's garden, and wants him to see it.

**What is the sickness in *The Secret Garden*?** In *The Secret Garden*, the cholera is the disease that kills Mary's parents and her Ayah. Although Mary's mother was told to leave her home to get away from the outbreak, she stayed so that she could go to a "silly dinner party". This leads to everyone dying within three days and Mary being left alone.

**What religion is in *The Secret Garden*?** As Mary has been raised by Hindu servants in India, and Colin has been brought up in utter isolation, they don't naturally gravitate towards this conclusion, instead piecing together a belief of their own; yet their self-discovered creed is, in principle, the same as the Christian one.
